

### **How to Request ASTM F1292 Playground Surfacing Documentation**

Philadelphia Parks and Recreation retains ASTM F1292 playground surfacing documentation for five years after installation.

Childcare providers who are required to obtain ASTM F1292 playground surfacing documentation to fulfill Pennsylvania [licensing requirements](#) can submit an inquiry and request (via mail or email) to:

Chris Creelman  
Director of Special Projects  
Department of Parks and Recreation  
One Parkway, 10th Floor  
1515 Arch Street  
Philadelphia, PA 19102  
[chris.creelman@phila.gov](mailto:chris.creelman@phila.gov)

Please include:

- Name and location of playground
- Name and address of childcare provider

Philadelphia Parks and Recreation will reply within 30 days with:

- An answer as to whether ASTM F1292 documentation is available for that location
- A copy of the manufacturer's brochure, if available

Childcare providers should allow at least 30 days for their inquiry and request.
