Subject: rate increase on water bill

Hello,

I cannot believe the water department is trying to implement such a drastic rate hike. For what?

I am being charged a water bill for my house and also a \$15/month water bill for my parking place behind my house. Outrageous!!!!!!

What are the salaries of the managers there? are they taking a pay decrease? or just trying to gouge the citizens of Philadelphia.

I am really beginning to be sorry I ever moved here. No one takes the stand for the citizens.
