Subject: Public hearings on Proposed Rate Increases

Dear Sir:

I read in the *Inquirer* that the Water Department has proposed increases in the water and sewer rates that it will charge its customers. I know that the Water Rate Board will hold a public hearing on April 7, 2016 in City Council Chambers in City Hall at 8:30 A.M. I would like to know when and where other public hearings will be held.

I appreciate your help.

Sincerely yours, Robert Falkowski
