RE: Proposed Rate Increase for Philadelphia Water Department

Hello,

Can you provide me with a contact person or information on the impact of the proposed rate increase for the Philadelphia Water Department?

SEPTA has five large group billings: two for various water and sewer accounts (35 accounts, Rail; 185 accounts City); two for our stormwater accounts (54 accounts, Rail; 73 accounts City); and one for our Groundwater accounts.

Thank you,
Pat Pixley
