Subject: Water bill

My husband is very ill I'm not working and we can't afford this rate hike I don't know why this city continue to raise bills people are struggling my unemployment ran out I worked all my life and never collected unemployment yet I couldn't get an extension our taxes are high what else is next eliminate some of those high paying jobs and pay the bills with that this city is doing nothing but robbing the people ever time I watch the news some city worker is stealing and tax payers have to pay so please leave the water bills alone schools closing down under Nutter big concerts are held here were is the money going this city needs to be ashamed of its self taking from the people who work and struggle everyday no hike in water bill please
