

## How to Generate a Zoning Report From eCLIPSE

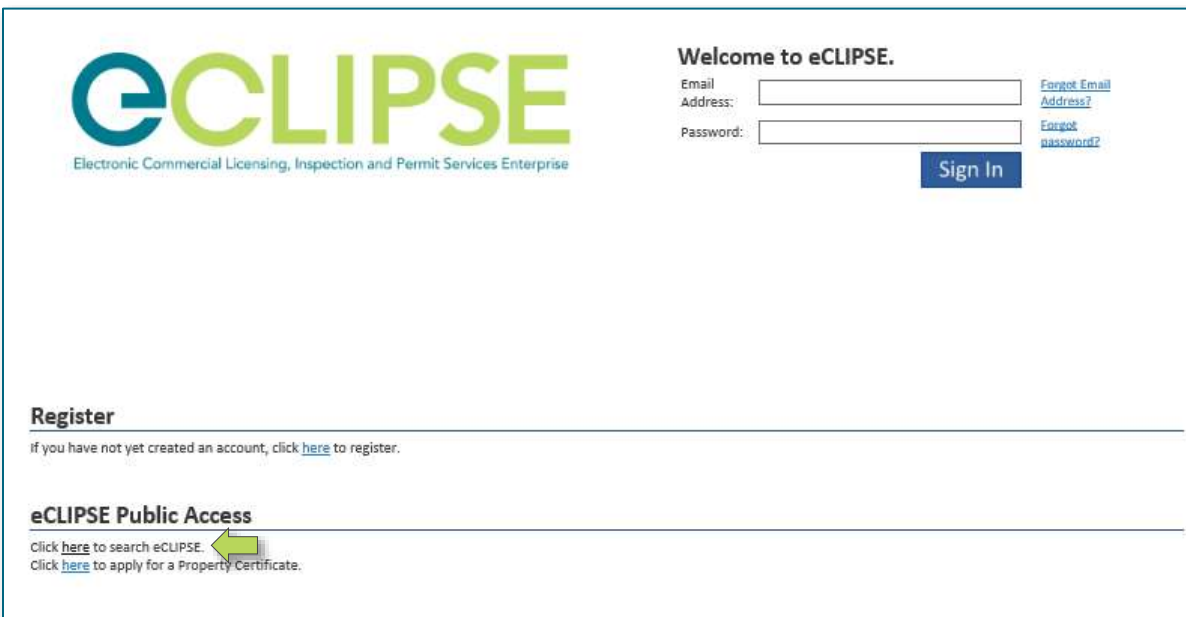

### How-to Guide

#### 1. Go to <https://eclipse.phila.gov>

eCLIPSE can also be accessed from [www.phila.gov/li](http://www.phila.gov/li).

#### 2. From the eCLIPSE homepage, select “Click here to search eCLIPSE”

At the bottom of the eCLIPSE homepage, there are eCLIPSE Public Access links. Under the eCLIPSE Public Access section, you will be able to search eCLIPSE.

The screenshot shows the eCLIPSE homepage. At the top left is the eCLIPSE logo with the tagline "Electronic Commercial Licensing, Inspection and Permit Services Enterprise". To the right is a "Welcome to eCLIPSE." section with input fields for Email, Address, and Password, each with a "Forgot" link. A "Sign In" button is below the password field. Below the login section is a "Register" section with a link to register. At the bottom is the "eCLIPSE Public Access" section, which contains two links: "Click [here](#) to search eCLIPSE." and "Click [here](#) to apply for a Property Certificate." A green arrow points to the first link.

#### 3. Select “Daily Zoning Report”

The screenshot shows the "All Building Permits" section of the eCLIPSE interface. It lists several options: "Daily Zoning Report", "Search for Permits by Address", "Search for Permits by Permit Number", "Search for Permits by Contractor", and "Search for Permits by Date". A green arrow points to the "Daily Zoning Report" option. Below this section is the "All Business Licenses" section, which lists "Search for Business Licenses by Business Name", "Search for Business Licenses by Business Location", "Search for Business Licenses by License Number", and "Search for Rental Licenses".
