Earnings Tax filing policy update

The filing deadline for the 2019 Annual Reconciliation Earnings Tax is extended to July 15, 2020.

Taxpayers have until July 15, 2020 to file a return and pay any difference in tax owed. Payments received after July 15, 2020 will accrue interest and penalty from April 15, 2020.

Fourth quarter Earnings Tax payments for 2019 were originally due January 31, 2020.

We encourage taxpayers who can file and pay on-time to do so. This helps ensure continuity of crucial City services.
