

How do I submit Permit Amendments through eCLIPSE?

How-to Guide

All work must comply with the conditions of the approved permit. Deviations that impact conditions of the prior approval must be re-submitted for review through the amended permit process. Refer to the **'Amended Permit Process Info Guide'** to verify the type of changes that are eligible for an amended permit.

- Go to <https://eclipse.phila.gov> and login to your eCLIPSE account.
