How to Get Ready for the 2020 Election

On November 3, 2020, registered voters in Philadelphia can vote for national and state representatives:

- The President of the United States;
- Representative in Congress;
- Attorney General;
- State Treasurer;
- Senator in the General Assembly; and
- Representative in the General Assembly

Philadelphians who have voted in previous years will notice many new changes to the voting process in 2020, two of which are:

- It is now easier for registered voters to make their choice prior to Election Day because Pennsylvania updated its procedures and timelines for absentee and mail-in balloting.
- There are new voting machines in every county in Pennsylvania, including Philadelphia County.

Step 1: Register to Vote

Eligible Philadelphians must register by October 19, 2020 to vote in this November’s election. Not sure if you are registered? Check out bit.ly/VoteStatusPA. There are different ways to register in Philadelphia—just choose what’s best for you!

REGISTER TO VOTE ONLINE

You can register to vote through the Pennsylvania Department of State’s online application. Before you begin, be sure to have your Pennsylvania driver’s license or PennDOT ID card handy. If you don’t have one, there are other options. Once you submit your online application, it will be forwarded to the appropriate county voter registration office for processing. Visit bit.ly/RegisterVotePHL to get started.
