Worship Safely During COVID-19

Our faith communities need not worship less, but they must worship safely!

Do NOT Gather In-Person

Use Mass Text
Use mass text messaging apps to connect with your members.

Use Video Technology to Host Services
Use video apps to bring everyone into the room. Do NOT gather clergy, musicians, and other lay members to conduct worship for a live streamed audience.

Record Your Rituals to Share
Pre-record music or services to share by phone or video.
