Everyone:

Please be advised that at his meeting today, the Rate Board permitted PWD to withdraw its pending general rate filing and closed the proceeding without prejudice. The Rate Board adopted a brief order to that effect, which I assume will be posted to its website.

PWD also has pending its 2020 adjustment proceeding, to implement the annual adjustment to the Tiered Assistance Program Rate Rider (TAP-R) and to revise related water, sewer, and fire service connection quantity charges. This filing is not affected by the Board's action.

These are two separate filings, so if you wish to participate in the adjustment filing, you need to provide a separate notice of your intent to do so.

I'm sure you all know how to do this - provide your name, the entity you represent, your email address, your physical address and your telephone number.(Please check the Rate Board's website to make sure I am not missing any required information)

Send this to me, Mr. Dasent, Mr. Ballenger, Mr. Popowsky, Mr. Cantu-Hertzler and Mr. Liang (the most important one).

Thank you all, stay safe -

Marlane Chestnut  
Hearing Officer.
