

Worship Safely During COVID-19

Our faith communities need not worship less, but they must worship safely!

Do NOT Gather In-Person

Groups of ANY size carry risk of transmitting COVID-19. Do NOT gather in-person.

Use Video Technology to Host Services

Use video apps to bring everyone into the room. Do NOT gather clergy, musicians, and other lay members to conduct worship for a live streamed audience.

Use Mass Text

Use mass text messaging apps to connect with your members.

Record Your Rituals to Share

Pre-record music or services to share by phone or video.
