RE: Philadelphia Water Department Formal Notice of Proposed Charges in Rates and Charges; 2020 TAP-R Reconciliation Proceeding

Dear Hearing Officer Chestnut:

The Philadelphia Large Users Group ("PLUG") does not oppose the Joint Petition for Settlement of Tiered Assistance Program Rate Rider ("TAP-R") Proceeding entered into between the Philadelphia Water Department ("PWD") and the Public Advocate ("Joint Petition"), which approves the TAP-R reconciliation adjustment filed as an Advance Notice on May 20, 2020, and subsequently filed as a Formal Notice on June 22, 2020. The reconciliation adjustment decreases the TAP-R surcharge as set forth in Section II of the Joint Petition, effective October 1, 2020.

While PLUG does not oppose the 2020 TAP-R reconciliation, PLUG reserves all rights to address TAP-R program costs and rates in future proceedings, including PWD's next base rate filing.

Sincerely,

McNEES WALLACE & NURICK LLC
