

## FAQ:

# What is the L&I permitting sequence for plumbing installations?

### Background:

The flowchart reflects L&I permit requirements and pre-requisite PWD approvals for plumbing installations.

**Answer:** See flowchart below.

### Questions?

Call 311 or (215) 686-8686 (if outside Philadelphia) or submit a permit-related question online via <https://form.jotform.com/81494420572154>.

### Disclaimer:

This interpretation, policy or code application is intended to provide guidance to staff for consistency of review and is subject to change without notice. Application of this interpretation, policy or code application to specific projects may vary. There may be other ways to comply with the Code. If so, you are not required to use this method. You may want to investigate other options or consult with a professional identifying an equally code compliant solution.
