### Front View

A line drawing of a car from a front-three-quarter perspective. A vertical dimension line with arrows at the top and bottom is positioned to the left of the car, indicating its height. The text "5-11/16''" is written next to this dimension line. A horizontal dimension line with arrows at the top and bottom is positioned below the car, indicating its width. The text "16-3/4''" is written next to this dimension line.

### Side View

A technical drawing of a curved metal component, likely a flange or a corner plate. The component is shown in perspective, with its curved top edge and a straight bottom edge. A dimension line is drawn across the bottom edge, indicating a width of 7-5/8 inches. The dimension line is labeled with the text "7-5/8"".

Greater than 1fc  
*IES recommended for  
Exterior - Safety*
