

The Philadelphia Department of Public Health has determined that the following products are not flavored for purposes of the City's flavored cigar law.

Note: Due to ongoing litigation, the Department is not currently enforcing Section 9-639 of the Philadelphia Code, which relates to the sale of flavored cigars and certain other flavored tobacco products.

This list is not exhaustive and may be updated as new information becomes available.

Please confirm that you are reviewing the most recent version of this document by visiting

Other products that smell and taste of only tobacco are also not restricted by the flavored cigar law.
