Such Notes, when issued, will be on parity with the City’s Airport Revenue Bonds issued under and outstanding or subject to the General Ordinance (as defined below).

The City has issued and will continue to issue the Notes under and pursuant to the First Class City Revenue Bond Act of October 18, 1972, Act No. 234 (the “Act”), the Amended and Restated General Airport Revenue Bond Ordinance, approved June 16, 1995 (Bill No. 950282), as amended and supplemented (the “General Ordinance”), and the Thirteenth Supplemental Ordinance (Bill No. 120644, approved by the Mayor on October 19, 2012) (the “Thirteenth Supplemental Ordinance” and, together with the General Ordinance, the “Ordinance”) and a Commercial Paper Agreement, dated as of January 1, 2013, as amended (the “CP Agreement”) by and between the City and U.S. Bank National Association (the “Issuing and Paying Agent”).

### *The Airport System*

The Airport System consists of the Philadelphia International Airport (the “Airport”) and the Northeast Philadelphia Airport (the “Northeast Airport”) and is owned by the City and operated by the Division of Aviation of the City’s Department of Commerce (the “Division of Aviation”). The City is classified as a large air traffic hub by the Federal Aviation Administration. In calendar year 2015, the Airport was ranked 19<sup>th</sup> in the United States in terms of total passengers according to the Airports Council International. In fiscal year 2016 (ending June 30), the Airport served a total of approximately 31.3 million passengers. Origin-destination traffic for calendar year 2015 accounted for approximately 62% of annual passengers, with the remaining 38% being passengers who connected between flights.

Northeast Airport is located on a 1,126-acre site situated within the City limits about 10 miles by road northeast of center city Philadelphia, and provides for general aviation, air taxi and corporate, as well as occasional military aviation use.

### ***Plan of Finance***

Proceeds of the Notes, together with other available moneys, will be used to provide funds to (i) finance the various capital projects as described in the Thirteenth Supplemental Ordinance; (ii) pay the principal of, and interest on, maturing Notes, (iii) pay obligations to the Banks, as defined herein, under the Reimbursement Agreements, as defined herein, resulting from draws on the Credit Facilities, as defined herein, and (iv) pay the costs of issuance of the Notes.

### ***Issuing and Paying Agent***

U.S. Bank National Association, Philadelphia, Pennsylvania, serves as Issuing and Paying Agent for the Notes.

### ***Dealers***

Barclays Capital Inc., Loop Capital Markets LLC, PNC Capital Markets LLC, and Wells Fargo Bank, National Association (collectively, the “Dealers”), serve as the commercial paper dealers for the offering of the Notes to qualifying investors, pursuant to the terms of a Commercial Paper Dealer Agreement among the City and the Dealers.

Wells Fargo Bank, National Association (“Wells N.A.”), one of the Dealers for the Notes, has entered into an agreement (the “Distribution Agreement”) with Wells Fargo Advisors, LLC (“WFA”) for the distribution of certain municipal securities offerings, including the Notes. Pursuant to the Distribution Agreement, Wells N.A. may share a portion of its compensation with respect to the Notes with WFA. Wells N.A. and WFA are both wholly owned subsidiaries of Wells Fargo & Company.

### ***Form and Terms of Notes***

The Notes are registered in the name of The Depository Trust Company (“DTC”) or Cede & Co., its nominee, and are issued in denominations of \$100,000 or in additional increments of \$1,000. The Series A Notes and the Series B Notes are dated and bear interest from their date of delivery at a rate per annum not in excess of the Maximum Interest Rate (as defined below), calculated on the basis of a 365-or 366-day year, as appropriate, and actual days elapsed. The Series C Notes may either (i) be dated and bear interest from their date of delivery, or (ii) be issued so that they will not bear interest but be issued as Original Issue Discount Notes (as defined below), in either case at a rate per annum (at an effective rate per annum, in the case of Original Issue Discount Notes) not in excess of the Maximum Interest Rate, calculated on the basis of a 360-day year, and actual days elapsed. “Original Issue Discount Notes” means a Subseries of Series C Notes which are sold at an initial public offering price of less than their principal amount and which are specifically designated as Original Issue Discount Notes. “Maximum Interest Rate” means 12% per annum.

The Notes will mature and become payable on such dates as the Dealers shall, with the consent of the City, establish at the time of issuance, provided that no Note shall mature or become payable more than 270 days from the date of its issuance, and provided further that no Note will mature less than one business day prior to the applicable Credit Facility Expiration Date as described in the inside cover page (the “Stated Expiration Date”) of the applicable Credit Facility. The Notes are not subject to redemption prior to maturity. The Notes other than Original Issue Discount Notes will be sold at their par amount.

### ***Source of Payment for the Notes***

Amounts drawn under a Credit Facility and deposited into a Credit Facility Subaccount in the Note Payment Account are available to pay holders of the Notes of the related Subseries but are not available to pay any Bank.

The primary source of repayment of the Subseries A-1 Notes, the Subseries B-1 Notes, and the Subseries C-1 Notes (collectively, the “Subseries A-1, B-1 and C-1 Notes”) is the Credit Facility to be issued by Sumitomo

Mitsui Banking Corporation, acting through its New York Branch (“SMBC”). The primary source of repayment of the Subseries A-2 Notes, the Subseries B-2 Notes, and the Subseries C-2 Notes (collectively, the “Subseries A-2, B-2 and C-2 Notes”) is the Credit Facility issued by PNC Bank, National Association. The primary source of repayment of the Subseries A-3 Notes, the Subseries B-3 Notes, and the Subseries C-3 Notes (collectively, the “Subseries A-3, B-3 and C-3 Notes”) is the Credit Facility issued by Wells Fargo Bank, National Association.

In addition, the Notes of a particular Subseries, and the City’s reimbursement obligations to each Bank under the respective Reimbursement Agreements, are payable from (i) proceeds of the sale of such Subseries of Notes deposited in the Note Payment Account, (ii) moneys held in the Construction Account for capitalized interest, (iii) Pledged Amounts (as defined below) available under the Ordinance and deposited in the related Note Payment Account for such Subseries of Notes, and (iv) such other legally available funds as shall be determined by the City and paid into the related Subaccounts for such Subseries of Notes, all of which are pledged by the City to the Issuing and Paying Agent under the CP Agreement as security for the Notes and the City’s reimbursement obligations to the Banks.

Pursuant to the General Ordinance, the Notes and the repayment obligations under the Credit Facilities are and will be equally and ratably secured by a lien on and security interest in (i) Project Revenues (as defined below); (ii) amounts payable to the City under a Qualified Swap; (iii) certain funds on deposit in or credited to the Aviation Funds (as defined in the General Ordinance), and (iv) proceeds of the foregoing (the amounts described in clauses (i) through (iv) are sometimes referred to, collectively, as the “Pledged Amounts”).

The General Ordinance defines Project Revenues to include all of the revenues, rents, rates, tolls or other charges imposed upon all lessees, occupants and users of the Airport System and all moneys received by or on behalf of the City from all sources during any fiscal year (except as hereinafter excluded) from or in connection with the ownership, operation, improvements and enlargements of the Airport System, or any part thereof and the use thereof including, without limitation, revenues pledged or appropriated for the benefit of the Airport System, all rentals, rates, charges, landing fees, use charges, concession revenues, income derived from the City’s sale of services, fuel, oil, and other supplies or commodities and all other charges received by the City or accrued by it from the Airport System, and any investment income realized from the investment of the foregoing, except as provided below, and all accounts, contract rights and general intangibles representing the Project Revenues, all consistently determined in accordance with the accrual basis of accounting adjusted to meet particular requirements of Airport-Airline Use and Lease Agreements between the City and the principal airlines serving the Airport (the “Airline Agreements”) (if any of the Airline Agreements are in effect) and the General Ordinance.

Project Revenues as defined in the preceding paragraph shall not include the following:

- (a) any and all passenger facility charges (unless otherwise provided in a supplemental ordinance) or any taxes which the City may from time to time impose upon users of the Airport System,
- (b) any governmental grants and contributions in aid of capital projects,
- (c) such rentals as may be received pursuant to Special Facility Agreements for Special Purpose Facilities (as defined in the General Ordinance),
- (d) proceeds of the sale of bonds and any income realized from the investment of proceeds of the sale of bonds maintained in the Aviation Capital Fund established by the General Ordinance and income realized from investments of amounts maintained in the Renewal Fund and Sinking Fund Reserve Account,
- (e) except as required by applicable laws, rules or regulations, net proceeds from the sale of certain Airport assets,
- (f) proceeds of insurance or eminent domain (other than proceeds that provide for lost revenue due to business interruption or business loss), and

- (g) net amounts payable to the City under a Qualified Swap (other than termination amounts payable to a Qualified Swap Provider due as a result of termination of a Qualified Swap).

As of July 1, 2016, the City had issued and there were outstanding \$1.12 billion Airport System Revenue Bonds (the “Outstanding Bonds”), not including Outstanding Notes. The City has pledged the Pledged Amounts, and other amounts, to repayment of bonds, including the Outstanding Bonds and the Notes, issued pursuant to the provisions of the Ordinance. The Outstanding Bonds and the Notes are secured on a parity basis by the Pledged Amounts. The City may authorize the issuance of additional bonds in the future which are on a parity with the Outstanding Bonds and the Notes.

**THE NOTES ARE LIMITED OBLIGATIONS OF THE CITY PAYABLE BY THE CITY SOLELY FROM THE PLEDGED AMOUNTS. THE NOTES ARE NOT SECURED BY A PLEDGE OF THE FULL FAITH, CREDIT OR TAXING POWER OF THE CITY. THE NOTES DO NOT CREATE ANY DEBT OR CHARGE AGAINST THE TAX OR GENERAL REVENUES OF THE CITY, OR CREATE A LIEN AGAINST ANY PROPERTY OF THE CITY OTHER THAN THE PLEDGED AMOUNTS.**

### *Credit Facilities and Reimbursement Agreements*

*The following summary of the Credit Facilities and the Reimbursement Agreements does not purport to be comprehensive or definitive and is subject in all respects to all of the terms and provisions of the respective Credit Facility and Reimbursement Agreement, to which reference is made hereby. Investors are urged to obtain and review a copy of the applicable Credit Facility and Reimbursement Agreement in order to understand all of its terms. Unless otherwise defined in the following summaries (or elsewhere in this Offering Memorandum, where applicable), capitalized terms used in the following summaries are used as defined in the respective Reimbursement Agreement and reference thereto is made for full understanding of their import. For purposes of the following summaries, in the event of a conflict between the definition of a capitalized term set forth herein and in the respective Reimbursement Agreement, the definition set forth in the respective Reimbursement Agreement shall control.*

**General.** Specific Subseries of Notes shall be supported by a single irrevocable, direct pay letter of credit (each a “Credit Facility”) issued to the Issuing and Paying Agent by one of the following Banks: (i) SMBC pursuant to a Reimbursement Agreement, dated as of September 1, 2016 (the “Sumitomo Reimbursement Agreement”), by and between the City and SMBC, (ii) PNC Bank, National Association pursuant to a Reimbursement Agreement, dated as of January 1, 2013, as amended (the “PNC Reimbursement Agreement”), by and between the City and PNC Bank, National Association or (iii) Wells Fargo Bank, National Association pursuant to a Reimbursement Agreement, dated as of January 1, 2013, as amended (the “Wells Reimbursement Agreement”), by and between the City and Wells Fargo Bank, National Association (SMBC, PNC Bank, National Association and Wells Fargo Bank, National Association are collectively referred to herein as the “Banks” and individually as a “Bank”). Each Credit Facility is issued separately and severally by the single related Bank and not jointly by the Banks. Each Series of Notes has been and shall continue to be issued from time to time in separate Subseries or other designations for each Bank. The Subseries A-1, B-1 and C-1 Notes shall be solely supported by a Credit Facility issued by SMBC, which has a scheduled expiration date of September 13, 2019 (the “Sumitomo Credit Facility”), the Subseries A-2, B-2 and C-2 Notes shall be solely supported by a Credit Facility issued by PNC Bank, National Association, which has a scheduled expiration date of December 1, 2017 (the “PNC Credit Facility”), and the Subseries A-3, B-3 and C-3 Notes shall be supported solely by a Credit Facility issued by Wells Fargo Bank, National Association, which has a scheduled expiration date of January 7, 2019 (the “Wells Credit Facility”). Each Credit Facility may be terminated prior to the related scheduled expiration date in accordance with the terms thereof. The respective Credit Facility entitles the Issuing and Paying Agent to draw amounts thereunder up to (a) an amount equal to the principal amount of such non-discount Subseries of Notes outstanding and supported by such Credit Facility, at the stated maturity thereof (or face amount with respect to Original Issue Discount Notes), plus (b) an amount equal to 270 days of accrued interest on the principal amount of such non-discount Notes (calculated at the maximum rate of 12% per annum and on the basis of the actual number of days elapsed in a 360-day year) to pay when due the interest on such non-discount Notes. The CP Agreement requires the Issuing and Paying Agent to make a drawing under the applicable Credit Facility to pay the principal of and the interest on the related non-discount Subseries of Notes (or face amount with respect to Original Issue Discount Notes), on the respective maturity dates for such Notes, in an amount equal to principal amount of such non-discount Notes plus interest thereon to the maturity thereof or the face

amount with respect to Original Issue Discount Notes. The Issuing and Paying Agency Agreement further requires the Issuing and Paying Agent to deposit the proceeds of all drawings under the Credit Facility in the appropriate Subaccount of the Credit Facility Account established and held by the Issuing and Paying Agent under the CP Agreement and to apply such proceeds solely to the payment of the related Notes in respect of which such drawings were made.

Pursuant to the CP Agreement, the aggregate principal amount of the non-discount Subseries of Notes (or face amount with respect to Original Issue Discount Notes) outstanding at any time that are supported by any particular Credit Facility may not exceed the amount then available to be drawn under such Credit Facility to pay principal of such Subseries of the Notes. The Stated Amount of the Credit Facility to be issued by (i) SMBC will be an amount not to exceed \$92,650,000, of which an amount not to exceed \$85,000,000 will be available to pay the principal amount of the related non-discount Subseries of Notes (or face amount with respect to Original Issue Discount Notes) at the stated maturity thereof plus, with respect to the related non-discount Subseries of Notes, an amount not to exceed \$7,650,000, which will be available to pay interest on such non-discount Subseries of Notes at stated maturity, (ii) PNC Bank, National Association will be an amount not to exceed \$90,470,000, of which an amount not to exceed \$83,000,000 will be available to pay the principal amount of the related non-discount Subseries of Notes (or face amount with respect to Original Issue Discount Notes) at the stated maturity thereof plus, with respect to the related non-discount Subseries of Notes, an amount not to exceed \$7,740,000, which will be available to pay interest on such non-discount Subseries of Notes at stated maturity, there are currently \$52.3 million (taxable) Subseries of Notes outstanding supported by the PNC Bank Credit Facility, and (iii) Wells Fargo Bank, National Association will be an amount not to exceed \$198,380,000, of which an amount not to exceed \$182,000,000 will be available to pay the principal amount of the related non-discount Subseries of Notes (or face amount with respect to Original Issue Discount Notes) at the stated maturity thereof plus, with respect to the related non-discount Subseries of Notes, an amount not to exceed \$16,380,000, which will be available to pay interest on such non-discount Subseries of Notes at stated maturity there are currently \$137.6 million Subseries of Notes outstanding supported by the Wells Credit Facility, consisting of \$20.3 million (AMT) and \$117.3 million (taxable). Each Credit Facility contains provisions to reduce or decrease the Stated Amount.

Pursuant to and in accordance with the terms of the CP Agreement and the applicable Reimbursement Agreement, the City is obligated to reimburse the applicable Bank for all drawings honored by such Bank under its Credit Facility and, if such drawings are not reimbursed on the same day as made, to pay interest to such unreimbursed Bank on the amounts of such unreimbursed drawings. Such reimbursement obligations of the City are evidenced by a promissory note issued to each respective Bank pursuant to the CP Agreement and the related Reimbursement Agreement and secured by, and payable from, Pledged Amounts (excluding amounts drawn by the Issuing and Paying Agent under a Credit Facility) on parity with the Notes and the City's reimbursement obligations to the other Banks.

**Drawings.** Each Credit Facility provides for drawings thereunder to be made by presentation of a certificate of the Issuing and Paying Agent to the related Bank in accordance with the terms of such Bank's Credit Facility. Upon receipt of a properly presented certificate, conforming and complying in all respects with the terms and conditions of the Bank's Credit Facility, such Bank is obligated to make payment of the related drawing under such Bank's Credit Facility to the Issuing and Paying Agent in immediately available funds. Upon a Bank honoring a properly presented and conforming drawing under such Bank's Credit Facility, such Bank will be fully discharged of its obligation under such Bank's Credit Facility with respect to such drawing and the Bank will not thereafter be obligated to make any further payments under such Bank's Credit Facility in respect of such drawing to the Issuing and Paying Agent or any other person or entity (including the holder of any Note). Only the Issuing and Paying Agent may make drawings under a Credit Facility.

**Reduction and Reinstatement.** Each drawing honored by a Bank under such Bank's Credit Facility shall reduce, by the amount of such drawing, the Stated Amount, which is the amount available to be drawn under such Credit Facility pursuant to any subsequent drawing, subject to reinstatement as hereinafter described. After any drawing (except in the case of a drawing resulting from the delivery to the Issuing and Paying Agent of a Final Drawing Notice (as defined in the related Credit Facility)), the Stated Amount (as defined in the related Credit Facility) of the related Credit Facility will be reinstated, but only when and to the extent amounts are received by the related Bank for reimbursement of the amount of such drawing (subject to any reduction in the Stated Amount as

provided in such Credit Facility), unless the City and the Issuing and Paying Agent receive a notice from such Bank that an “Event of Default” under the related Reimbursement Agreement has occurred and is continuing.

**Termination.** Each Credit Facility provides that the related Bank’s obligations thereunder will expire upon the earliest to occur of the following dates: (i) the related Stated Expiration Date, as such date may be extended from time to time pursuant to the terms of the related Credit Facility; (ii) the date of payment of a drawing, not subject to reinstatement, which when added to all other drawings honored under such Credit Facility which were not subject to reinstatement as provided therein, in the aggregate equals the Stated Amount on the date of issuance of such Credit Facility as adjusted pursuant to the terms and conditions of such Credit Facility; (iii) the date on which the related Bank receives a termination certificate from the Issuing and Paying Agent relating to the substitution of a substitute credit facility in place of such Credit Facility (after the related Bank honors any properly presented and conforming drawing, if any, on such date); (iv) the date on which the related Bank receives a termination certificate from the Issuing and Paying Agent notifying such Bank that all related Notes have been defeased or are no longer outstanding and the City does not intend to issue any additional related Notes; or (v) the earlier of (a) the 15th calendar day (or if such date is not a business day, the immediately succeeding business day) after the date on which the Issuing and Paying Agent receives a “Final Drawing Notice” from such Bank and (b) the date on which the drawing resulting from the delivery of the Final Drawing Notice is honored under such Credit Facility.

#### *Investment Decisions*

**Prospective purchasers of Notes should consider the credit of the Bank issuing the Credit Facility supporting such Notes and not the credit of either of the other Banks in making an investment decision regarding possible purchase of Notes.**

#### *Events of Default on the Notes*

The occurrence of any of the following events constitutes an "Event of Default" under the CP Agreement:

- a. failure by the City to observe or perform any covenant, agreement or obligation contained in the CP Agreement or in the Notes and the continuation of that failure for a period of 30 days after written notice of that failure is given to the City, which notice may be given by any Bank or, if such Bank failed to honor a properly presented and conforming drawing under its Credit Facility, the Issuing and Paying Agent in its discretion, and shall be given by the Issuing and Paying Agent at the written request of the holders of not less than 25% in aggregate outstanding principal amount of Notes of the related Subseries then outstanding if the applicable Bank has failed to honor a properly presented and conforming drawing under the related Credit Facility; provided that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the City institutes curative action reasonably acceptable to the Issuing and Paying Agent within the applicable period and diligently pursues that action to completion; or
- b. the occurrence of any "Event of Default" under the General Ordinance; or
- c. receipt from any Bank of notice of the occurrence of an "Event of Default" under such Bank's Reimbursement Agreement.

In case of an Event of Default, the rights and remedies in the Ordinance shall apply to the CP Agreement and any agreement supplementing, modifying or amending the CP Agreement. Notwithstanding the foregoing, provided that a Credit Facility is in full force and effect with respect to a Subseries of Notes and the Bank providing such Credit Facility has not failed to honor a properly presented and conforming drawing as required in connection

therewith, the Bank shall have the right, at any time during the continuance of an Event of Default, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the CP Agreement with respect to such Series or Subseries of Notes, including, without limitation, the right to approve all waivers of any Event of Default with respect to such Series or Subseries of Notes, provided that such direction shall not be otherwise than in accordance with law and the provisions of the CP Agreement and provided further that no Event of Default may be waived unless the Credit Facility provided by such Bank shall have been reinstated, and no remedy or right may be exercised under the CP Agreement and no Event of Default may be waived with respect to such Series or Subseries of Notes without the prior written consent of the Bank for such Series or Subseries of Notes.

If an “Event of Default” occurs and is continuing under a Reimbursement Agreement, the applicable Bank, in its sole discretion, may issue a “Final Drawing Notice.” The Credit Facility issued by a Bank that issues a Final Drawing Notice will terminate on the 15th day after the date the Issuing and Paying Agent receives the Final Drawing Notice. Under each Reimbursement Agreement, the Issuing and Paying Agent is required to draw on the related Credit Facility to pay the principal of and interest to the stated maturity of all outstanding Notes secured by such Credit Facility, prior to such termination of the Credit Facility.

### ***General Factors Affecting the Airline Industry***

The revenues of the Airport are affected substantially by the economic health of the air transportation industry and the airlines serving the Airport. The economic condition of the industry historically has been volatile and certain factors may materially affect the Airport and the airlines, including (i) the cost and availability of fuel, labor, aircraft, and insurance, (ii) general economic conditions, (iii) international trade, (iv) currency values, (v) competitive considerations, including the effects of airline ticket pricing and the level of air fares and charges, (vi) the capacity of the Airport, other airports and the national air traffic control system, (vii) governmental regulation, including security regulations and taxes imposed on airlines and passengers, and maintenance and environmental requirements, (viii) changes in passenger demand for air travel, (ix) the availability and cost of aviation fuel and other necessary supplies, (x) competition from other modes of travel, including but not limited to rail and automobile, and transportation substitutes, (xi) the financial health and viability of the airline industry, (xii) the cost and availability of employees, (xiii) labor relations within the airline industry, (xiv) environmental risks and regulations, (xv) bankruptcy risks and insolvency laws, (xvi) concerns over health issues, disease and pandemics, and (xvii) disruption caused by airline accidents, criminal incidents and acts of war or terrorism. Due to the discretionary nature of business and personal travel spending, airline passenger traffic and revenues are heavily influenced by the strength of the U.S. economy, other regional economies, corporate profitability, safety and security concerns and other factors.

### ***Airport System Capital Improvement Projects***

The Airport regularly renovates, improves and expands its facilities to improve passenger experience and meet the demands of the aviation industry. Since 2000, the Airport has constructed more than \$1.7 billion of capital improvements, including new terminals, expansion and renovation of existing terminals, and airfield improvement projects including a runway extension.

The Airport’s capital projects are included in the long-range Capacity Enhancement Program (CEP) and a near-term, on-going Capital Improvement Program (CIP). The CEP is a set of projects being pursued to improve efficiency, modernize airport facilities and provide additional capacity for future growth. The CEP will enable the Airport to enhance the Greater Philadelphia region’s position by providing more efficient access and increased competitiveness. It is a multi-year endeavor, with multiple phases and timing for each development which will be closely coordinated with the airlines and other stakeholders in order to maintain operational efficiency during construction. The major elements of the CEP include expanding and reconfiguring the existing terminal complex; a new runway; two runway extensions; taxiway improvements; relocating several on and off-airport facilities to facilitate airfield improvements; a Ground Transportation Center which includes a consolidated rental car facility; cargo facility development; constructing an automated people mover (APM); and parking expansion and roadway improvements. The CEP was captured in its entirety under a FAA sponsored Airport Master Plan and subsequent Environmental Impact Study (EIS) which resulted in a FAA Record of Decision (“ROD”) that was the foundation

for the approval of FAA funding supporting the CEP. The ROD is available at [www.faa.gov/airports/environmental/records\\_decision](http://www.faa.gov/airports/environmental/records_decision).

On July 27, 2015, the FAA issued a draft of a written reevaluation of the ROD and the related environmental impact statement due to the reconfiguration of certain parcels relating to Cargo City and the UPS facility. The draft reevaluation concludes that the preparation of a new or supplemental environmental impact statement is not necessary. The draft reevaluation must be made available to the public and resource agencies for a period of 30 days and a notice of availability must be published in the Federal Register prior to adoption by the FAA. This was adopted as originally drafted.

The CIP focuses on the near-term capital facility needs. CIP projects are developed to complement the framework of the CEP and the Airport's ultimate development. Major CIP projects include an expansion of Terminal F; completion of Terminals D/E checked baggage inspection system; and on-going rehabilitation and repair projects.

### ***Further Information and Continuing Disclosure***

The Notes are exempt from the continuing disclosure requirements of Rule 15c2-12 (the "Rule") adopted by the Commission. However, it is the practice of the City, in connection with the issuance and sale of each issue of the City's bonds or notes, to require in its contract with its underwriters or dealers that the underwriters or dealers deposit the official statement or offering memorandum of the City relating to such issue of bonds or notes with a nationally recognized municipal securities information repository (a "Repository") as soon as practicable after delivery of such official statement or offering memorandum. It is also the City's practice to file its Comprehensive Annual Financial Report ("CAFR"), which contains the audited combined financial statements of the City, with a Repository as soon as practicable after delivery of such report. Since July 1, 2009, pursuant to the Rule, all such filings must be made with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access ("EMMA") system. The CAFR for the City's Fiscal Year ended June 30, 2015 was filed with EMMA on February 25, 2016. The CAFR is prepared by the Office of the Director of Finance of the City in conformance with guidelines adopted by the Governmental Accounting Standards Board and the American Institute of Certified Public Accountants audit guide, Audits of State and Local Government Units. A copy of the financial statements of the City for the fiscal year ended June 30, 2015, may be downloaded at <http://www.phila.gov/investor>. The CAFR contains pertinent information with respect to the Division of Aviation. The City also expects to provide financial and other information as to the City from time to time to Moody's Investors Service ("Moody's"), Standard & Poor's Rating Services, a Division of The McGraw-Hill Companies, Inc. ("S&P"), and Fitch Ratings ("Fitch") in connection with securities ratings issued by those rating agencies for bonds or notes of the City. It is the City's practice to make certain financial information available on its investor website, <http://www.phila.gov/investor>.

The foregoing statement as to filing or furnishing of additional information reflects the City's current practices, but is not a contractual obligation to the holders of the City's bonds or notes. Further, the City is not obligated to make any filings under the Rule with respect to the Notes and has not entered into any continuing disclosure agreement pursuant to the Rule with respect to the Notes.

Brief descriptions of the Notes, the security therefor, the Airport System and certain data about the City are included in this Offering Memorandum. Such descriptions do not purport to be comprehensive or definitive. All references in this Offering Memorandum to the Act, the General Ordinance, the Thirteenth Supplemental Ordinance and the CP Agreement are qualified by reference to the definitive form of each such document in its entirety. Copies of the Act, the General Ordinance, the Thirteenth Supplemental Ordinance, the CP Agreement and the financial statements of the City and the Division of Aviation for the fiscal year ended June 30, 2015, are available from the Office of the Director of Finance, 13th Floor, Municipal Services Building, 1401 John F. Kennedy Boulevard, Philadelphia, Pennsylvania 19102. The forms of approving opinions of Co-Note Counsel that will be delivered in connection with the issuance of the Notes are attached hereto as APPENDIX A.

**Not all relevant information with respect to the CP Agreement, the Ordinance and operations of the Airport that may be necessary to analyze its current financial condition is included in this Offering Memorandum in light of the presence of the Credit Facilities, as described above. In making an investment decision regarding a possible purchase of any Notes, prospective investors should consider the credit of the**

**applicable Bank issuing the Credit Facility supporting such Notes and not on the credit of either of the other Banks.**

### *Tax Status of the Notes*

The federal income tax treatment of interest on the Notes differs depending on whether they are Series A Notes, Series B Notes or Series C Notes. Each is addressed separately below. The following discussion is a summary of the opinions of Saul Ewing LLP and Andre C. Dasent P.C., Co-Note Counsel to the City, that are to be rendered on the tax status of interest on the Notes and addressing certain federal income tax considerations that may be relevant to prospective purchasers of Notes. This discussion is based upon applicable law, including current provisions of the Internal Revenue Code of 1986, as amended (the “Code”), existing and proposed regulations under the Code, and current administrative rulings and court decisions, all of which are subject to change.

#### **Series A Notes and Series B Notes**

Upon each initial issuance of any new amount of Series A Notes and Series B Notes, from time to time, Co-Note Counsel has provided and will continue to provide opinions, expected to be substantially in the relevant forms set forth in APPENDIX A hereto, to the effect that, under existing law, (1) interest on the Series A Notes is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; however, interest is included in adjusted current earnings for purposes of the federal alternative minimum tax imposed on corporations; and (2) interest on the Series B Notes is excluded from gross income for federal income tax purposes except for any period during which the Series B Notes are held by a person who is a “substantial user” of the facilities financed with the proceeds of the Series B Notes or a “related person,” as those terms are used in Section 147(a) of the Code, and is an item of tax preference in calculating the federal alternative minimum tax liability of individuals and corporations. Co-Note Counsel expresses no opinion regarding other federal tax consequences relating to the Series A Notes and Series B Notes or the receipt of interest thereon.

In rendering their opinions with respect to the Series A Notes and Series B Notes, Co-Note Counsel has assumed compliance by the City with its covenants to comply with the provisions of the Code. The Code establishes certain requirements that must be met at and subsequent to the issuance of the Series A Notes and Series B Notes in order that interest on the Series A Notes and Series B Notes be and remain excluded from gross income of the owners thereof for federal income tax purposes. Failure to comply with the continuing requirements may cause interest on the Series A Notes and Series B Notes to be included in gross income for federal income tax purposes retroactively to the date of their issuance irrespective of the date on which such noncompliance occurs. In the Tax Certificate, which has been and will continue to be delivered concurrently with the issuance of the Series A Notes and Series B Notes, the City has and will continue to covenant to comply with certain provisions of the Code and will make certain representations designed to assure compliance with such requirements of the Code.

#### ***Other Federal Tax Matters***

Prospective purchasers of the Series A Notes and Series B Notes should be aware that the ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the Series A Notes and Series B Notes, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, taxpayers eligible for the earned income credit, recipients of Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, financial institutions, property and casualty companies, certain S corporations and foreign corporations subject to the branch profits tax. Prospective purchasers of the Series A Notes and Series B Notes should consult their tax advisors regarding the applicability and impact of such consequences. Prospective purchasers of the Series A Notes and Series B Notes may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

## ***General***

The opinions of Co-Note Counsel are rendered as of their date and Co-Note Counsel assume no obligation to update or supplement their opinions to reflect any facts or circumstances that may come to their attention or any changes in law or the interpretation thereof that may occur after the date of their opinions.

Legislation affecting state and municipal bonds is regularly under consideration by the United States Congress. Such legislation or other proposals could affect the tax exemption of interest on, or the market price or marketability of tax-exempt obligations, such as the Series A Notes and Series B Notes. No assurance can be given with respect to the impact of future legislation on the Series A Notes and Series B Notes. Prospective purchasers of the Series A Notes and Series B Notes should consult their own tax and financial advisers regarding such matters.

The discussion herein does not purport to address all aspects of federal, state or local taxation that may be relevant to a particular owner of a Series A Notes or Series B Notes. Prospective owners of the Series A Notes and Series B Notes, particularly those who may be subject to special rules, are advised to consult their tax advisors regarding the federal, state and local tax consequences of owning and disposing of the Series A Notes and Series B Notes.

## **Series C Notes**

The following is a summary of certain anticipated federal income tax consequences of the purchase, ownership and disposition of the Series C Notes. The summary is based upon the provisions of the Code, the regulations promulgated thereunder and the judicial and administrative rulings and decisions now in effect, all of which are subject to change or possible differing interpretations. This summary does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances, nor certain types of investors subject to special treatment under the federal income tax laws. This summary focuses primarily on investors who will hold the Series C Notes as “capital assets” (generally, property held for investment within the meaning of Code Section 1221), but much of the discussion is applicable to other investors. Potential purchasers of the Series C Notes should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series C Notes.

Upon each initial issuance of any new amount of Series C Notes, from time to time, Co-Note Counsel has provided and will continue to provide an opinion, expected to be substantially in the relevant form set forth in APPENDIX A hereto.

## ***Federal Income Taxes***

Interest on the Series C Notes is included in gross income for federal income tax purposes pursuant to the Code.

## ***United States Tax Consequences***

The following is a summary of certain United States federal income tax consequences resulting from the beneficial ownership of the Series C Notes by certain persons. This summary does not consider all possible federal income tax consequences of the purchase, ownership, or disposition of the Series C Notes and is not intended to reflect the individual tax position of any beneficial owner. Moreover, except as expressly indicated, this summary is limited to those persons who purchase a Series C Note at its issue price, which is the first price at which a substantial amount of the Series C Notes is sold to the public, and who hold Series C Notes as “capital assets” within the meaning of the Code (generally, property held for investment). This summary does not address beneficial owners that may be subject to special tax rules, such as banks, insurance companies, dealers in securities or currencies, purchasers that hold Series C Notes as a hedge against currency risks or as part of a straddle with other investments or as part of a “synthetic security” or other integrated investment (including a “conversion transaction”) comprising a bond and one or more other investments, or United States Holders (as defined below) that have a “functional currency” other than the United States dollar (Special Taxpayers). This summary is applicable only to a person (United States Holder) who or which is the beneficial owner of Series C Notes and is (a) an individual citizen or

resident of the United States, (b) a corporation or partnership or other entity created or organized under the laws of the United States or any State (including the District of Columbia), or (c) a person otherwise subject to federal income taxation on its worldwide income. This summary is based on the United States tax laws and regulations currently in effect and as currently interpreted and does not take into account possible changes in the tax laws or interpretations thereof any of which may be applied retroactively. Except as provided below, it does not discuss the tax laws of any state, local, or foreign governments.

### ***United States Holders***

*Payments of Stated Interest.* In general, for a beneficial owner who or which is a United States Holder, interest on a Series C Note will be taxable as ordinary income at the time it is received or accrued, depending on the beneficial owner's method of accounting for tax purposes.

*Series C Notes Purchased at Original Issue Discount.* The initial public offering price of certain maturities of the Series C Notes may be less than the principal amount payable on such Series C Notes at maturity. Under Section 1273 of the Code, the excess of the principal amount payable at maturity over the initial public offering price at which a substantial amount of these Series C Notes are sold constitutes original issue discount unless the amount of such excess is less than a specified *de minimis* amount (generally equal to 0.25% of the stated redemption price at maturity multiplied by the number of complete years to maturity) in which case the original issue discount shall be treated as zero. A United States Holder may irrevocably elect to include in gross income all interest that accrues on a Series C Note using the constant-yield method, subject to certain modifications.

*Series C Notes Purchased at a Market Discount.* A Series C Note will be treated as acquired at a market discount (market discount bond) if the amount for which a United States Holder purchased the Series C Note is less than the Series C Note's adjusted issue price, unless such difference is less than a specified *de minimis* amount. In general, any payment of principal or any gain recognized on the maturity or disposition of a market discount bond will be treated as ordinary income to the extent that such gain does not exceed the accrued market discount on the Series C Note. Alternatively, a United States Holder of a market discount bond may elect to include market discount in income currently over the life of the market discount bond. That election applies to all debt instruments with market discount acquired by the electing United States Holder on or after the first day of the first taxable year to which the election applies and may not be revoked without the consent of the IRS. If an election is made to include market discount in income currently, the tax basis of the Series C Note in the hands of the United States Holder will be increased by the market discount thereon as such discount is included in income.

Market discount generally accrues on a straight-line basis unless the United States Holder elected to accrue such discount on a constant yield-to-maturity basis. That election is applicable only to the market discount bond with respect to which it is made and is irrevocable. A United States Holder of a market discount bond that does not elect to include market discount in income currently generally will be required to defer deductions for interest on borrowings allocable to the Series C Note in an amount not exceeding the accrued market discount on such Series C Note until maturity or disposition of the Series C Note.

*Purchase, Sale, Exchange, and Retirement of Series C Notes.* A United States Holder's tax basis in a Series C Note generally will equal its cost, increased by any market discount and original issue discount included in the United States Holder's income with respect to the Series C Note, and reduced by the amount of any amortizable bond premium applied to reduce interest on the Series C Note. A United States Holder generally will recognize gain or loss on the sale, exchange, or retirement of a Series C Note equal to the difference between the amount realized on the sale or retirement (not including any amount attributable to accrued but unpaid interest) and the United States Holder's tax adjusted basis in the Series C Note. Except to the extent described above under *Series C Notes Purchased at a Market Discount*, gain or loss recognized on the sale, exchange or retirement of a Series C Note will be capital gain or loss and will be long-term capital gain or loss if the Series C Note was held for more than one year.

*Backup Withholding.* United States Holders may be subject to backup withholding on payments of interest and, in some cases, disposition proceeds of the Series C Notes, if they fail to provide an accurate Form W-9, "Request for Taxpayer Identification Number and Certification," or a valid substitute form, or have been notified by the IRS of a failure to report all interest and dividends, or otherwise fail to comply with the applicable requirements

of backup withholding rules. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a credit against the United States Holder's United States federal income tax liability (or refund) provided the required information is timely furnished to the IRS. Prospective United States Holders should consult their tax advisors concerning the application of backup withholding rules.

### ***Information Reporting***

In general, information reporting requirements will apply with respect to payments to a United States Holder of principal and interest (and with respect to annual accruals of original issue discount) on the Series C Notes, and with respect to payments to a United States Holder of any proceeds from a disposition of the Series C Notes. This information reporting obligation, however, does not apply with respect to certain United States Holders including corporations, tax-exempt organizations, qualified pension and profit sharing trusts, and individual retirement accounts. In the event that a United States Holder subject to the reporting requirements described above fails to supply its correct taxpayer identification number in the manner required by applicable law or is notified by the IRS that it has failed properly to report payments of interest and dividends, a backup withholding tax (currently at a rate of 28%) generally will be imposed on the amount of any interest and principal and the amount of any sales proceeds received by the United States Holder on or with respect to the Series C Notes.

Any payments of interest and original issue discount on the Series C Notes to a Non-United States Holder generally will be reported to the IRS and to the Non-United States Holder, whether or not such interest or original issue discount is exempt from United States withholding tax pursuant to a tax treaty or the portfolio interest exemption. Copies of these information returns also may be made available under the provisions of a specific treaty or agreement to the tax authorities of the country in which the payee resides.

Information reporting requirements will apply to a payment of the proceeds of the disposition of a Series C Note by or through (a) a foreign office of a custodian, nominee, other agent, or broker that is a United States person, (b) a foreign custodian, nominee, other agent, or broker that derives 50% or more of its gross income for certain periods from the conduct of a trade or business in the United States, (c) a foreign custodian, nominee, other agent, or broker that is a controlled foreign corporation for United States federal income tax purposes, or (d) a foreign partnership if at any time during its tax year one or more of its partners are United States persons who, in the aggregate, hold more than 50% of the income or capital interest of the partnership or if, at any time during its taxable year, the partnership is engaged in the conduct of a trade or business within the United States, unless the custodian, nominee, other agent, broker, or foreign partnership has documentary evidence in its records that the beneficial owner is not a United States person and certain other conditions are met, or the beneficial owner otherwise establishes an exemption.

The federal income tax discussion set forth above is included for general information only and may not be applicable depending upon a beneficial owner's particular situation. Beneficial owners should consult their tax advisors with respect to the tax consequences to them of the purchase, ownership, and disposition of the Series C Notes, including the tax consequences under state, local, foreign, and other tax laws and the possible effects of changes in federal or other tax laws.

**INVESTORS WHO ARE NONRESIDENTS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE SPECIFIC TAX CONSEQUENCES TO THEM OF OWNING SERIES C NOTES.**

**THE FOREGOING SUMMARY AS TO SERIES C NOTES IS NOT INTENDED AS AN EXHAUSTIVE RECITAL OF THE POTENTIAL TAX CONSEQUENCES OF HOLDING THE SERIES C NOTES. PROSPECTIVE PURCHASERS OF THE SERIES C NOTES SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES OF THE OWNERSHIP OF THE SERIES C NOTES. CO-NOTE COUNSEL WILL NOT RENDER ANY OPINION WITH RESPECT TO ANY FEDERAL TAX CONSEQUENCES OF OWNERSHIP OF THE SERIES C NOTES.**

## **Pennsylvania Tax Opinion**

In the opinion of Co-Note Counsel, under the laws of the Commonwealth of Pennsylvania as enacted and construed, the Notes and the interest thereon are exempt from Pennsylvania personal income tax and Pennsylvania corporate net income tax, but such exemption does not extend to gift, estate, succession or inheritance taxes or any other taxes not levied or assessed directly on the Notes or the interest thereon. Under the laws of the Commonwealth as enacted and construed, any profits, gains or income derived from the sale, exchange or other disposition of obligations of the City, such as the Notes, will be subject to Pennsylvania taxes within the Commonwealth. The Notes and the interest thereon may be subject to state or local taxes in jurisdictions other than the Commonwealth under applicable state or local tax laws.

### ***Legal and Other Matters***

Certain legal matters relating to the authorization of the Notes are subject to approving opinions of Saul Ewing LLP, Philadelphia, Pennsylvania, and Andre C. Dasent P.C., Philadelphia, Pennsylvania, Co-Note Counsel to the City, which will be furnished with the issuance of any new amount of the Notes. The expected text of such opinions (the “Approving Opinions”) is set forth in APPENDIX A to this Offering Memorandum. The Approving Opinions will be limited to matters relating to authorization and validity of the Notes and to the status of interest thereon as described in “Tax Status of Interest on the Notes.” Co-Note Counsel to the City have not been engaged to investigate the financial resources of the City or its ability to provide for payment of the Notes, and the Approving Opinions will make no statement as to such matters or as to the accuracy or completeness of this Offering Memorandum or any other information that may be relied on by anyone in making the decision to purchase the Notes.

The Issuing and Paying Agent has not participated in the preparation of this Offering Memorandum and takes no responsibility for its content.

An explanation of the procedure and methodology used by each rating agency and the significance of such ratings may be obtained from the rating agency furnishing the same. Such ratings may be changed at any time, and no assurance can be given that they will not be revised downward or withdrawn entirely by any of such rating agencies if, in the judgment of any of them, circumstances so warrant. Any such downward revision or withdrawal of any of such ratings is likely to have an adverse effect on the market price or marketability of the Notes.

Philadelphia, PA

[Date\*]

City of Philadelphia

**City of Philadelphia, Pennsylvania  
Airport Revenue Commercial Paper Notes  
Series A (Non-AMT)**

We have acted as Co-Note Counsel to the City of Philadelphia, Pennsylvania (the “City”) in connection with the issuance of its Airport Revenue Commercial Paper Notes, Series A (Non-AMT) (the “Series A Notes”). The Series A Notes are being issued under and pursuant to the First Class City Revenue Bond Act of the Commonwealth of Pennsylvania, Act No. 234 of October 18, 1972, P.L. 955, as amended (the “Act”), and the Amended and Restated General Airport Revenue Bond Ordinance approved June 16, 1995, as supplemented and amended (the “Original Ordinance”), including as supplemented and amended by the Thirteenth Supplemental Ordinance approved on October 19, 2012 (the “Thirteenth Supplemental Ordinance”, together with the Original Ordinance, the “General Ordinance”) and the Commercial Paper Agreement between the City and U.S. Bank National Association, as Issuing and Paying Agent (the “Issuing and Paying Agent”) dated as of January 1, 2013, as amended (the “CP Agreement”). All capitalized terms used and not defined herein shall have the same meanings set forth in the CP Agreement or the General Ordinance.

The Series A Notes are issuable from time to time as fully registered notes dated their respective dates of issuance, in denominations of \$100,000 or in additional increments thereto of \$1,000. The Series A Notes mature, bear interest, and are payable in the manner and upon the terms and conditions set forth therein and in the CP Agreement. The Series A Notes, together with outstanding issues of Airport Revenue Bonds and Notes, and all other airport revenue bonds hereafter issued for the purposes and upon the terms and conditions prescribed in the General Ordinance are equally and ratably secured to the extent provided in the General Ordinance, as the case may be, and the Act, by a pledge of Pledged Amounts.

As Co-Note Counsel for the City, we have examined the Act and such Constitutional provisions, statutes and regulations of the Commonwealth of Pennsylvania and such other records and documents of the City as we deemed necessary for the purposes of this opinion. We have also examined the proceedings authorizing the issuance and sale of the Series A Notes, including the General Ordinance, the CP Agreement, the transcript of proceedings filed by the City with the Court of Common Pleas of Philadelphia, together with evidence of the filing thereof, and certain statements, certifications (including specifically the City’s Issuance Request and Tax Certificate relating to the Series A Notes), opinions, agreements, reports, affidavits, receipts and other documents which we have considered relevant, including, without limitation, an opinion of the City Solicitor of the City and a certification of officials of the City having responsibility for issuing the Series A Notes given pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations promulgated thereunder.

---

\* To be dated concurrently with each initial issuance of any Series A Notes.

We have not been engaged and have not undertaken to consider the adequacy of the Pledged Amounts of the City or other financial resources of the City, its ability to provide for payment of the Series A Notes, or the accuracy, completeness, or sufficiency of the Offering Memorandum dated September [ ], 2016, or other offering material relating to the Series A Notes, and we express no opinion herein relating to such matters.

In rendering the opinion set forth below, we have relied upon the genuineness, accuracy and completeness of all documents, records, certifications and other instruments we have examined, including, without limitation, the authenticity of all signatures appearing thereon.

Based on the foregoing we are of the opinion that:

1. Under the Constitution and laws of the Commonwealth of Pennsylvania, including the Act and the General Ordinance, the City is authorized to issue the Series A Notes, and the terms thereof comply with the requirements of the Act and the General Ordinance.

2. The General Ordinance has been duly enacted and the CP Agreement has been duly authorized, executed and delivered and the covenants and agreements of the City contained in such documents, including, specifically but not by way of limitation, the pledge of the Pledged Amounts, as therein described, constitute legal, valid and binding obligations of the City with respect to the Series A Notes and are enforceable against the City in accordance with their respective terms except as the enforceability thereof may be limited by bankruptcy, insolvency or other similar laws, or by legal or equitable principles affecting creditors' rights generally.

3. The Series A Notes have been duly authorized and issued and are valid and binding obligations of the City, are enforceable against the City in accordance with their terms and are limited obligations of the City, payable solely out of Pledged Amounts, as provided in the General Ordinance for the timely payment of the principal thereof, at their respective maturities or redemption dates, and the interest thereon when due.

4. The Series A Notes do not pledge the credit or taxing power, nor create any debt or charge against the tax or general revenues of the City, nor do they create any lien against any property of the City other than the revenues, monies and funds pledged in the General Ordinance.

5. The issuance of the Series A Notes does not cause the debt of the City to exceed constitutional debt limitations.

6. Interest on the Series A Notes issued in compliance with the CP Agreement and the Tax Certificate relating to the Series A Notes is excluded from gross income for federal income tax purposes and is not included in the computation of the federal alternative minimum tax imposed on individuals, trusts, estates and, except as provided in the following sentence, corporations. For corporations only, interest on the Series A Notes is taken into account in determining adjusted current earnings for purposes of the adjustment to alternative minimum taxable income used in computing the alternative minimum tax on corporations (as defined for alternative minimum tax purposes). The opinion set forth in the first sentence of this paragraph assumes compliance by the City with certain requirements of the Code, that must be met subsequent to the issuance of the Series A Notes in order that the interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The City has covenanted to comply with such requirements. Failure to comply with such requirements could cause the interest on the Series A Notes to be includable in gross income for federal income tax purposes retroactive to the date of issuance of such Series A Notes. The City has covenanted to comply with all such requirements.

We express no opinion regarding other federal tax consequences relating to the Series A Notes or the receipt of interest thereon.

7. Under the laws of the Commonwealth of Pennsylvania, as enacted and construed on the date hereof, the Series A Notes, and the interest thereon are free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but such exemption does not extend to gift, estate, succession or inheritance taxes or any other taxes not levied or assessed directly on the Series A Notes or the interest thereon.

We express no opinion with respect to, and assume no responsibility for, the accuracy or completeness of the Offering Memorandum prepared in respect of the offering of the Series A Notes, and make no representation that we have independently verified the contents thereof.

We call to your attention that the rights of the holders of the Series A Notes and the enforceability thereof and of the General Ordinance may be subject to bankruptcy, insolvency, reorganization, moratorium and other laws or equitable principles affecting creditors' rights generally.

We are advised that Wells Fargo Bank, National Association, Sumitomo Mitsui Banking Corporation, acting through its New York Branch, and PNC Bank, National Association have delivered to the Issuing and Paying Agent direct pay letters of credit (the "Letters of Credit") to secure the payment of the principal of, and interest on, the Series A Notes. We express no opinion as to the validity or enforceability of the Letters of Credit, the protections afforded thereby, or any other matters pertaining thereto.

You may continue to rely upon this opinion as to Series A Notes issued subsequent to the date of this opinion only to the extent that (i) subsequent to the date hereof, there is no change in existing law, regulation, or governmental agency guidance, or the interpretation of any of the foregoing; (ii) the City has complied and continues to comply with the covenants and conditions contained in the CP Agreement; (iii) the representations set forth in the City's Tax Certificate relating to the Series A Notes remain true and accurate, and the City otherwise remains in compliance with such Tax Certificate; (iv) we have not issued a new opinion subsequent to the date hereof as to the matters addressed herein; and (v) we have not expressly withdrawn this opinion as evidenced by written notice of such withdrawal to the City and the Issuing and Paying Agent.

This opinion is issued as of the date hereof, and we assume no obligation to (i) monitor or advise the City or any other person of any changes in the foregoing subsequent to the delivery hereof; (ii) update, revise, supplement or withdraw this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law, regulation, or governmental agency guidance, or the interpretation of any of the foregoing, that may hereafter occur, or for any other reason whatsoever; or (iii) review any legal matters incident to the authorization, issuance, validity, and exemption from federal or state income tax of the Series A Notes, or the purposes to which the proceeds thereof are to be applied, after the date hereof.

**City of Philadelphia, Pennsylvania  
Airport Revenue Commercial Paper Notes  
Series B (AMT)**

We have acted as Co-Note Counsel to the City of Philadelphia, Pennsylvania (the “City”) in connection with the issuance of its Airport Revenue Commercial Paper Notes, Series B (AMT) (the “Series B Notes”). The Series B Notes are being issued under and pursuant to the First Class City Revenue Bond Act of the Commonwealth of Pennsylvania, Act No. 234 of October 18, 1972, P.L. 955, as amended (the “Act”), and the Amended and Restated General Airport Revenue Bond Ordinance approved June 16, 1995, as supplemented and amended (the “Original Ordinance”), including as supplemented and amended by the Thirteenth Supplemental Ordinance approved on October 19, 2012 (the “Thirteenth Supplemental Ordinance”, together with the Original Ordinance, the “General Ordinance”) and the Commercial Paper Agreement between the City and U.S. Bank National Association, as Issuing and Paying Agent (the “Issuing and Paying Agent”) dated as of January 1, 2013, as amended (the “CP Agreement”). All capitalized terms used and not defined herein shall have the same meanings set forth in the CP Agreement or the General Ordinance.

The Series B Notes are issuable from time to time as fully registered notes dated their respective dates of issuance, in denominations of \$100,000 or in additional increments thereto of \$1,000. The Series B Notes mature, bear interest, and are payable in the manner and upon the terms and conditions set forth therein and in the CP Agreement. The Series B Notes, together with outstanding issues of Airport Revenue Bonds and Notes, and all other airport revenue bonds hereafter issued for the purposes and upon the terms and conditions prescribed in the General Ordinance are equally and ratably secured to the extent provided in the General Ordinance, as the case may be, and the Act, by a pledge of Pledged Amounts.

As Co-Note Counsel for the City, we have examined the Act and such Constitutional provisions, statutes and regulations of the Commonwealth of Pennsylvania and such other records and documents of the City as we deemed necessary for the purposes of this opinion. We have also examined the proceedings authorizing the issuance and sale of the Series B Notes, including the General Ordinance, the CP Agreement, the transcript of proceedings filed by the City with the Court of Common Pleas of Philadelphia, together with evidence of the filing thereof, and certain statements, certifications (including specifically the City’s Issuance Request and Tax Certificate relating to the Series B Notes), opinions, agreements, reports, affidavits, receipts and other documents which we have considered relevant, including, without limitation, an opinion of the City Solicitor of the City and a certification of officials of the City having responsibility for issuing the Series B Notes given pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations promulgated thereunder.

We have not been engaged and have not undertaken to consider the adequacy of the Pledged Amounts of the City or other financial resources of the City, its ability to provide for payment of the Series B Notes, or the

\* To be dated concurrently with each initial issuance of any Series B Notes.

accuracy, completeness, or sufficiency of the Offering Memorandum dated September [\_\_\_], 2016, or other offering material relating to the Series B Notes, and we express no opinion herein relating to such matters.

In rendering the opinion set forth below, we have relied upon the genuineness, accuracy and completeness of all documents, records, certifications and other instruments we have examined, including, without limitation, the authenticity of all signatures appearing thereon.

Based on the foregoing we are of the opinion that:

1. Under the Constitution and laws of the Commonwealth of Pennsylvania, including the Act and the General Ordinance, the City is authorized to issue the Series B Notes, and the terms thereof comply with the requirements of the Act and the General Ordinance.

2. The General Ordinance has been duly enacted and the CP Agreement has been duly authorized, executed and delivered and the covenants and agreements of the City contained in such documents, including, specifically but not by way of limitation, the pledge of the Pledged Amounts, as therein described, constitute legal, valid and binding obligations of the City with respect to the Series B Notes and are enforceable against the City in accordance with their respective terms except as the enforceability thereof may be limited by bankruptcy, insolvency or other similar laws, or by legal or equitable principles affecting creditors' rights generally.

3. The Series B Notes have been duly authorized and issued and are valid and binding obligations of the City, are enforceable against the City in accordance with their terms and are limited obligations of the City, payable solely out of Pledged Amounts, as provided in the General Ordinance for the timely payment of the principal thereof, at their respective maturities or redemption dates, and the interest thereon when due.

4. The Series B Notes do not pledge the credit or taxing power, nor create any debt or charge against the tax or general revenues of the City, nor do they create any lien against any property of the City other than the revenues, monies and funds pledged in the General Ordinance.

5. The issuance of the Series B Notes does not cause the debt of the City to exceed constitutional debt limitations.

6. Interest on the Series B Notes is not includable in gross income for purposes of federal income taxation under existing statutes, regulations, rulings and court decisions, except as to interest on any Series B Note during any period such Series B Note is held by a person who is a "substantial user" of the facilities financed with the Series B Notes or a "related person," as those terms are used in Section 147(a) of the Code. The opinion set forth in the preceding sentence is subject to the condition that the City comply with all applicable federal income tax law requirements that must be satisfied subsequent to the issuance of the Series B Notes in order that interest thereon continues to be excluded from gross income. Failure to comply with certain of such requirements could cause the interest on the Series B Notes to be includable in gross income retroactive to the date of issuance of the Series B Notes. The City has covenanted to comply with all such requirements.

7. Interest on the Series B Notes is treated as an item of tax preference under Section 57 of the Code for purposes of the individual and corporate alternative minimum tax.

We express no opinion regarding other federal tax consequences relating to the Series B Notes or the receipt of interest thereon.

8. Under the laws of the Commonwealth of Pennsylvania, as enacted and construed on the date hereof, the Series B Notes, and the interest thereon are free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but such exemption does not extend to gift, estate, succession or inheritance taxes or any other taxes not levied or assessed directly on the Series B Notes or the interest thereon.

We express no opinion with respect to, and assume no responsibility for, the accuracy or completeness of the Offering Memorandum prepared in respect of the offering of the Series B Notes, and make no representation that we have independently verified the contents thereof.

We call to your attention that the rights of the holders of the Series B Notes and the enforceability thereof and of the General Ordinance may be subject to bankruptcy, insolvency, reorganization, moratorium and other laws or equitable principles affecting creditors' rights generally.

We are advised that Wells Fargo Bank, National Association, Sumitomo Mitsui Banking Corporation, acting through its New York Branch, and PNC Bank, National Association have delivered to the Issuing and Paying Agent direct pay letters of credit (the "Letters of Credit") to secure the payment of the principal of, and interest on, the Series B Notes. We express no opinion as to the validity or enforceability of the Letters of Credit, the protections afforded thereby, or any other matters pertaining thereto.

You may continue to rely upon this opinion as to Series B Notes issued subsequent to the date of this opinion only to the extent that (i) subsequent to the date hereof, there is no change in existing law, regulation, or governmental agency guidance, or the interpretation of any of the foregoing; (ii) the City has complied and continues to comply with the covenants and conditions contained in the CP Agreement; (iii) the representations set forth in the City's Tax Certificate relating to the Series B Notes remain true and accurate, and the City otherwise remains in compliance with such Tax Certificate; (iv) we have not issued a new opinion subsequent to the date hereof as to the matters addressed herein; and (v) we have not expressly withdrawn this opinion as evidenced by written notice of such withdrawal to the City and the Issuing and Paying Agent.

This opinion is issued as of the date hereof, and we assume no obligation to (i) monitor or advise the City or any other person of any changes in the foregoing subsequent to the delivery hereof; (ii) update, revise, supplement or withdraw this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law, regulation, or governmental agency guidance, or the interpretation of any of the foregoing, that may hereafter occur, or for any other reason whatsoever; or (iii) review any legal matters incident to the authorization, issuance, validity, and exemption from federal or state income tax of the Series B Notes, or the purposes to which the proceeds thereof are to be applied, after the date hereof.

Very truly yours,

## APPENDIX B

### INFORMATION REGARDING DTC AND THE BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, New York will act as securities depository for the Notes. The Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Master Note will be issued for each Subseries of each Series of the Notes in the respective aggregate principal amounts of each such Subseries of Notes, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.6 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Notes on DTC’s records. The ownership interest of each actual purchaser of each Note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Notes, except in the event that use of the book-entry system for the Notes is discontinued.

To facilitate subsequent transfers, the Master Notes deposited with DTC are registered in the name of DTC’s partnership nominee, Cede & Co, or such other name as may be requested by an authorized representative of DTC. The deposit of the Master Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Notes; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Notes unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns

Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Issuing and Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Issuing and Paying Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Issuing and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Notes at any time by giving reasonable notice to the City or the Issuing and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Note certificates are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Note certificates will be printed and delivered to DTC.

So long as Cede & Co. is the registered owner of the Notes, as nominee for DTC, references herein to Bondholders or registered owners of the Notes (other than under the caption "Tax Status of Interest on the Notes") shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the Notes.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Issuing and Paying Agent to DTC only.

NEITHER THE CITY NOR THE ISSUING AND PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (ii) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE NOTES UNDER THE ORDINANCES OR THE CP AGREEMENT; (iii) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR INTEREST DUE WITH RESPECT TO THE NOTES; (iv) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF NOTES; OR (v) ANY OTHER MATTER.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.
