Help using eCLIPSE

With eCLIPSE, L&I customers can no longer schedule inspections, and request approval from multiple departments at the same time. You can still schedule inspections and request approval from multiple departments without using eCLIPSE with the help of our videos, information sheets, and other resources.

HELP USING ECLIPSE

CONTRACTOR AND POSTING REQUIREMENTS

CONSTRUCTION AND REPAIR PERMITS

ZONING PERMITS

OTHER PERMITS AND CERTIFICATES

Getting started

- [eCLIPSE FAQs](#)
- [Creating an account in eCLIPSE](#)
- [Associating \(linking\) with a contractor record in eCLIPSE](#)
- [Navigating your eCLIPSE account](#)

File Format

- All uploaded drawing files must be single or multi-page PDF format only
Exception: Does not apply to the SHEET INDEX which must be in Excel format.

Sheet Size

- Minimum: 18 x 24 in. (Architectural C)
- Maximum: 36 x 48 in. (Architectural E)

Orientation

- All drawing sheets must be in a landscape orientation and positioned face up.

Drawing Scale

- Minimum Architectural: 1/8 in.= 1 ft.
 - Minimum Engineering: 1 in.= 60 ft.
- 

Fonts

- Text contained on any drawing must be legible, unobstructed by drawings or borders, and of an appropriate size for printing.

File Security & Comments

- PDFs must be clean- NO existing PDF comments!
- Where required, plans must be digitally signed/sealed by the design professional.
- Submitted files must remain unlocked / allow for mark-ups after upload.

Binders

- Construction drawings must be bound into single trade files, bookmarked, and named accordingly.

Sheet Index (Separate File)

- A separate Sheet Index in XLSX format must be submitted. Each time a sheet is updated or revised, it must be identified in this index file.
- 

Drawing Resolution

- Electronic files must be legible and navigate reasonably well (400 dpi recommended).

File Size

- Maximum: 50 megabytes (50 MB)
- If a single trade file exceeds this size, divide it into volumes as needed (e.g., “A-Arch1.pdf” and “A-Arch2.pdf”).

File Naming Conventions

- The first letter of each trade file name must be a capital letter coinciding with the associated discipline followed by a dash. Use the standard letter designations defined below:
 - o Z-filename.pdf – Zoning site plans, elevations, sections, & compliance data tables

Dedicated Space for City Department Approval Stamps

- Location: A blank space free of any text, notations, drawings, or title blocks must be provided on the sheet in a **consistent position**.
- Size & Offset: The space must be a minimum of four inches (4 in.) high by eight inches (8 in.) wide. The space must also be offset from any page edge a minimum of one-half inch (1/2 in.) in each direction.

Commercial Building Permit CP-2020-000014 (Draft)

CONSTRUCTION AREA

Use the boxes below to enter the area (square feet) for each type of work proposed with this Permit. For more information about the types of "areas" click on the blue help text icon on the right

Note Incomplete or incorrect information provided may result in the additional reviews by L&I (or other City Departments).

Area of Earth Disturbance (sq. ft.):

Alteration Area (sq. ft.):

Addition Area (sq. ft.):

PROJECT COSTS

Use the boxes below to identify the cost of work for each construction activity associated with this Permit. At a **MINIMUM** enter a value in the 'General Construction Cost of Work' field for the work proposed under this Permit.

If you enter **any costs** for Electrical, Fire suppression, Mechanical, or Plumbing work, **the system will automatically generate permit reviews for those disciplines as well**. You will be prompted to enter details for each trade where a cost of work is listed.

Electrical Cost of Work:

Fire Suppression Cost of Work:

Mechanical / Fuel Gas Cost of Work:

Plumbing Cost of Work:

* General Construction Cost of Work:

Total Construction Cost of Work: \$300,000.00

* OCCUPANCY

Provide the Occupancy Classification(s) and Construction Type(s) associated with the work proposed under this application in the grid below as defined in Chapters 3 and 6 of the Philadelphia Building Code. You must also list the gross floor area in square feet of each story and specify whether or not each story will be protected with an automatic sprinkler system.

To add a line to the grid, click '+ Add Occupancy'.

* Occupancy Type	Construction Type	* Square Footage	Floor	Sprinklers?
A-3 Assembly (Worship, Recreation, Amusement, Othe	II-B Noncombustible Unprotected	3000	Ground Floor	Sprinklered <input type="checkbox"/>

Zoning Permit ZP-2019-000152 (Draft)

REVIEW QUESTIONS

For Full Demolition, New Construction or Parking, specify the area of proposed earth disturbance (in square feet) when the text box appears below:

Depending on your scope of work, the four City agencies listed below may need to review your proposal. Failure to obtain a required agency's review may result in processing delays.

Check each box where a condition requires the review by any named agency or department:

Art Commission

Does your zoning permit application involve any of the following items:

Public art submitted to meet the requirements of § 14-405 (SP-ENT, Entertainment (Special Purpose) District) or § 14-702 (Floor Area Bonuses).

Signs projecting over the public right-of-way; located along Cobbs Creek Parkway, Roosevelt Boulevard or Fairmount Park per § 14-904(4); or within certain areas of the Center City Overlay (CT

Building Identification Signs per § 14-904(3).

If 'yes' to any of the above, check the box below.

Philadelphia Art Commission Review Required?

Planning Commission

Does your zoning permit application involve any of the following items:

Parcels with more than one street frontage where a primary frontage needs to be determined per § 14-701(1)(d)

Any lot adjustments or subdivisions.

Landscaping and screening for parking lots. See § 14-803(5);

Parcels in the Wissahickon Watershed Overlay. See § 14-510.;

Parcels in a Steep Slope protection area. See § 14-704(2);

Screening for Wireless Service Facilities (Freestanding Towers) that does not conform to the list of trees recommended by the City Planning Commission. See § 14-603(15)(d) (Screening);

Development in CMX-4 and CMX-5 zoning districts subject to compliance with Sky Plane Controls. See § 14-701(5)(b) (Option A: Sky Plane Controls);

Parking garages in RMX-3, CMX-3, CMX-4, and CMX-5 districts and parking garages of at least 250 parking spaces on lots in or adjacent to any other residential or commercial district. See § 14-

Signs in the Market Street East Advertising District. See § 14-906.

- Development in CMX-4 and CMX-3 Zoning Districts utilizing Sky Plane Controls

If 'yes' to any of the above, check the box below."

Philadelphia City Planning Commission Review Required?

Philadelphia Water Department

1101 Market St, 5th Floor, Philadelphia, PA 19107, Tel: (215) 685-6387 or Email: PWD.PlanReview@phila.gov

Does your zoning permit application involve any one of the following items?

- Additional impervious surfaces in Categories 1-4 of the /WWO Overlay District,
- Stormwater management systems used to earn a Building Height Bonus within East Callowhill Overlay District (/ECO) or Central Delaware Riverfront Overlay District (/CDO)
- Green Roof systems used to earn Density increases for dwelling units within RM-1, CMX-2, and CMX-2.5 Zoning Districts or for the East Falls /NCA Overlay District,

If 'yes' to any of the above, check the box below."

Philadelphia Water Department Review Required?

Philadelphia Streets Department

1401 John F Kennedy Blvd, 9th Floor, Philadelphia, PA 19102, Tel: (215) 686-5502

Does your zoning permit application involve any one of the following items?

- Work or encroachment within the public right-of-way, such as curb cuts for parking and loading, steps, cellar doors, emergency escape wells, and bay windows,
- Open-air parking that provides spaces for more than three vehicles
- Parking elements of SP-ENT master plans,
- Parking elements of SP-STA master plans,
- Bicycle parking facilities in the public right-of-way that are proposed to satisfy the bicycle parking requirements of § 14-804 (Bicycle Parking), or
- Adjustments to the number and/or size of off-street loading spaces and/or driveway depressed curb cut width per § 14-806(4),

If 'yes' to any of the above, check the box below."

Philadelphia Streets Department Review Required?

Screen ID: 2927989

- Below you will find the submission process for the Planning and Fire Departments in eCLIPSE:

Department Review	eCLIPSE Submission Process	eCLIPSE Review
Historical Commission	Submit all required materials with L&I permit application.	Review occurs prior to L&I review. L&I will not review until Historical review complete.
Art Commission	Submit all required materials with L&I permit application.	Review occurs at the same time as L&I review.
Planning Commission – Development	Submit all required materials with L&I permit application.	Review occurs at the same time as L&I review.
Planning Commission – Urban Design	Submit all required materials with L&I permit application.	Review occurs at the same time as L&I review.
Fire Department	Submit all required materials with L&I permit application.	Most reviews occur at the same time as L&I review (few cases occur prior).

- Below you will find the submission process for Water and Streets Departments in eCLIPSE:

Department Review	eCLIPSE Submission Process	eCLIPSE Review
PWD (Green Infrastructure, Utilities, Sewage Facilities, Stormwater Mgmt, Water Records)	Submit all required materials directly to PWD prior to L&I permit application submission.	Review occurs at same time as L&I review. PWD will provide approval directly to L&I through eCLIPSE.
Streets Department	<p>(1) ZP, RP and CP job types require the creation of an “SR” job type advanced to the Submitted status in order for these three permit types to be accepted by L&I for certain scopes of work</p> <p>(2) All other permits (i.e. fences, signs, plumbing, etc.), submit all required materials with L&I permit application.</p>	<p>(1) Review may occur prior to L&I review. Streets job is LINKED to the L&I permit application.</p> <p>(2) Review occurs at same time as L&I review.</p>

- 
- Understand requirements of other departments
 - Failure to identify additional Department reviews with the permit application may result in delayed review times
 - Know when it makes sense to submit separately
 - Cannot confirm service level agreements for other departments; however, L&I is expected to be the longest review in most cases
- 

- There will be one final L&I review when all Department's reviews have completed to confirm all approvals have occurred

Department Review	eCLIPSE Submission Process	eCLIPSE Review
LI Final Approval Review	No additional submission requirements.	Final L&I review to confirm all Department reviews complete and consistent.
