If all business is conducted and/or located within Philadelphia, only the *BIRT-EZ Pages 1 and 2* should be completed, printed and filed.

If business is conducted and/or located both in and out of Philadelphia, the *BIRT Page 1 and the appropriate combination of Schedules A through E* should be completed, printed and filed. Tax practitioners should be able to print Page 1 and all completed schedules without restrictions.

Taxpayers must use the same method (Schedule A, Method I or Schedule B, Method II) that they elected on the first Business Income & Receipts Tax return filed. Only Schedule A (Form 24715) or Schedule B (Form 24415) should be completed, printed and filed.

Schedule C-1 – Computation of apportionment factors to be applied to apportionable net income. You must complete Schedule C-1 if you are apportioning your income. Failure to include this schedule with the return may result in the disallowance of your apportionment and you may be billed. Schedule C should not be completed or filed if the BIRT-EZ return is used.

If Line 12 of Schedule C-1 of the Business Income and Receipts Tax Regular return is equal to 100%, the BIRT-EZ return must be used instead. Schedule C-1 should not be completed or filed if the BIRT-EZ return is used.

CITY OF PHILADELPHIA DEPARTMENT OF REVENUE

Scan Line Specifications for Vendor Reproduced Payment Coupons

Certain guidelines must be followed for reproduced or substitute City of Philadelphia Department of Revenue tax coupons. The purpose of these guidelines is to ensure that the reproduced or substitute forms are compatible with the Department's processing system, and that they present information in a uniform manner.

As part of the Revenue Department's modernization project, the department is adding 2-D barcodes to our payment coupons. The barcodes will allow for faster and more accurate processing of payments. Effective with the 2018 tax year payments, all coupons must contain a 2-D barcode **and** a 68-character scanline.

The following are guidelines for substitute and reproduced tax payment coupons. Following these guidelines will help speed the approval process and processing of taxpayer payments. It is recommended that submission be made using .pdf files as e-mail attachments.

Each page is measured 85 characters across (X), 66 characters down (Y) using the NACTP 10 x 6 grid.

Each coupon must have registration targets in each of the four corners. The marks measure 3/16 of an inch square. The marks should be placed ¼ inch from the top and sides and ½ inch from the bottom of each printed coupon.

The scan lines of reproduced payment coupons will be a 2-D barcode in PDF417 format. The scan line is 68 characters in length, the 68th character being a check digit using the mod 10 routine. Stretching or scaling the barcode changes its integrity and reduces the readability of the barcode; it should not be done.

If a software developer does not support 2-D barcodes, the area reserved for the barcode should be left blank and the scan line must be printed in 12 pt. OCR-A font. The bottom edge of the scan line must print 1" from the bottom of the coupon and 3/8" from the right edge of the coupon (start position X=14, Y=60). The scan line layout and examples of coupons for each tax type are provided in this package.

Sample coupons must be submitted to verify placement of variable data and validity of the scan line check digit and/or barcode.

Check Digit Calculation

The scan-line is 68 positions, all numeric, with the Check-Digit in position 68. To calculate the Check-Digit, do the following:

1. For each position 1 through 67, assign a numeric value to the position based on the contents of the position **and** whether the position itself is even or odd.
2. Add the assigned value for each position into a total.
3. Compute the Check-Digit total as 700 minus the final total.
4. Accept the unit digit of the Check-Digit total as the Check-Digit

Assigning the numeric value to even positions

1. For even positions 2, 4, 6, ..., 66 accept the value of the position as the assigned numeric value.
 - a. For a value of 0, the assigned numeric value is 0
 - b. For a value of 1, the assigned numeric value is 1
 - c. For a value of 2, the assigned numeric value is 2
 - d. For a value of 3, the assigned numeric value is 3
 - e. For a value of 4, the assigned numeric value is 4
 - f. For a value of 5, the assigned numeric value is 5
 - g. For a value of 6, the assigned numeric value is 6
 - h. For a value of 7, the assigned numeric value is 7
 - i. For a value of 8, the assigned numeric value is 8
 - j. For a value of 9, the assigned numeric value is 9

Assigning the numeric value to odd positions

1. For odd positions 1, 3, 5, ..., 67 compute the assigned numeric value as follows:
 - a. Multiply the value of the position by 2
 - b. Where the resulting value is greater than 9, add 1 to the unit value.
 - i. For a value of 0; The assigned numeric value is 0.
 - ii. For a value of 1; The assigned numeric value is 2.
 - iii. For a value of 2; The assigned numeric value is 4.
 - iv. For a value of 3; The assigned numeric value is 6.
 - v. For a value of 4; The assigned numeric value is 8.
 - vi. For a value of 5; The assigned numeric value is 1.
 - vii. For a value of 6. The assigned numeric value is 3.
 - viii. For a value of 7; The assigned numeric value is 5.
 - ix. For a value of 8; The assigned numeric value is 7.
 - x. For a value of 9; The assigned numeric value is 9.

Example

For the following 68 position Scan-Line, where the Check-Digit in position 68 has not yet been assigned:

33301041514000000001348499000000000000000007777681140000000000000

1. The total of all assigned numeric values for positions 1 to 67 is 122.
2. The Check-digit total is 700 minus 122 = 578.
3. The Check-Digit is the unit value of 578, or 8.

With the assigned Check-Digit, the final scan-line will appear as follows:

33301041514000000001348499000000000000000007777681140000000000008

2020 ANNUAL RECONCILIATION OF EMPLOYER WAGE TAX

- Who Must File:** All employers who paid taxable compensation to residents of Philadelphia, even if earned outside of Philadelphia, and to non-residents for services performed within Philadelphia.
- When To File:** The Annual Reconciliation of Employer Wage Tax for the calendar year 2020 is due on or before March 1, 2021. **Failure to file and pay by this date will result in the imposition of interest, penalty, fines and legal costs.**
- Where To File:** **To file this return online**, go to ework.phila.gov/revenue. After submitting the return, you must print the resulting confirmation page for your records. W2 data must be submitted in accordance with the requirements specified on Page 2 of these instructions. **To file this return by mail**, sign the Annual Reconciliation return and mail to: Philadelphia Department of Revenue, P.O. Box 1670, Philadelphia, PA 19105-1670.

Print your numbers legibly to ensure efficient processing. Photocopies of this return are not acceptable. Regulations, returns and instructions are available at www.phila.gov/revenue. Contact the Department by calling 215-686-6600 or send e-mail to revenue@phila.gov.

If the entity no longer has wage tax withholding responsibilities, use the **Change Form** to indicate the termination of wage tax liability and enter the termination date on the return in the space provided. The Change Form is available online at www.phila.gov/tax-change. If the wage tax withholding responsibilities terminated prior to 2020, mail in the Change Form but do not complete and file a 2020 Wage Tax Reconciliation return.

Line 3: Put on this line the amount of tip income reported to the employer by the tipped employees (e.g. IRS Form 4070) and any other tips allocated to the employees (by the employer) in accordance with applicable U.S. Treasury Regulations. An employer's liability for withholding the Wage Tax on employees' tip income is based on the wages under the employer's control (other than tips) and amounts turned over voluntarily to the employer by the employee to meet the withholding. Therefore, if the employer is unable (due to insufficient funds) to withhold the Wage Tax on any compensation (i.e. both salary and tips), report those amounts here.

Line 13: Tax Due - If the tax due on Line 13 of the Annual Reconciliation of Wage Tax return is \$1 or more, make a check payable to "City of Philadelphia". Do not remit tax due if less than \$1. Internet filers can pay the tax due via credit card or by e-check. A user fee is added when paying by credit card. **E-CHECK IS FREE.**

ACH Debits and Credits are accepted for payment of tax. For more information or to enroll in this program go to www.phila.gov/revenue/eft-ach. Contact the Electronic Government Unit at 215-686-6582, 6579 or 6628 or e-mail to egovservices@phila.gov.

Returned Checks. If your check is returned unpaid for insufficient or uncollected funds, (1) you authorize The City of Philadelphia or its agent to make a one-time electronic funds transfer from your account to collect a fee of \$20; and (2) The City of Philadelphia or its agent may re-present your check electronically to your depository institution for payment.

Line 16: Tax Overpaid - To obtain a refund of an overpayment of Philadelphia City Wage Tax, you must file a Refund Petition with the Department of Revenue. A refund can be the result of an over withholding of tax from the employees' pay by the employer or an overpayment of tax that was not withheld (a duplicate payment). If the overpayment is the result of over withholding, a letter on company letterhead, signed by a company officer must accompany the Refund Petition stating that the tax that was over withheld has been refunded to the employee(s) by the company. If the refund is the result of a duplicate payment, supporting documentation showing the duplicate payment must accompany your refund petition.

To download a Refund Petition, go to www.phila.gov/documents/refund-petition-form.

If you have questions about your filing requirements, application of payments or tax balances due, call Taxpayer Services at 215-686-6600.

Interest, Penalties and Costs

Effective January 1, 2014 - All taxes (except Real Estate) bear simple interest. The annual rate shall be the Federal Short-Term Rate effective January 1 of such calendar year (26 § USCA 6621 et. seq.) plus five (5) percentage points.

Penalty will be at the rate of 1¼% of the unpaid tax for each month or fraction thereof.

For current interest rates, see the Department of Revenue's website at www.phila.gov/revenue.

2020 School Income Tax Return General Filing Information

The School District of Philadelphia imposes a tax on different classes of net income. Examples of taxable income are dividends, certain interest, certain rents, and royalties. All residents of Philadelphia who receive these types of income must pay the tax.

Who should file - Only Philadelphia residents with taxable income. Review the instructions on Page 2 for a list of taxable income.

Interest on bank savings accounts, checking accounts and certificates of deposit issued by banks is not taxable.

If you were a resident of Philadelphia for only a portion of 2020, indicate your period of residency in the space provided on the return. Certain taxable income should be pro-rated based on your period of residency. For example, if you owned a stock for the entire year and received a dividend of \$1,000, but moved to Philadelphia on July 1, 2020, only \$500 of the dividend would be taxable. If this was your only taxable dividend, you would enter \$500 on Line 1 of the tax return.

If income was realized on a specific date, your residency on that date will determine its taxability. In the above example, if you had a short-term capital gain (held six months or less) that was realized on June 1, 2020, none of that gain is taxable since you were not a Philadelphia resident on that date. For further information, contact the Technical Staff at revenueadvisors@phila.gov.

Filing status - A husband and wife may file a combined return. However, losses from one spouse cannot be offset against gains from the other spouse.

Social Security Numbers - This return contains provisions for Social Security numbers. If these spaces are blank, complete them. Disclosure of Social Security numbers is required pursuant to the provisions of Title 19 of the Philadelphia Code and regulations promulgated thereto. Social Security numbers are used to identify taxpayers and to ensure compliance of all City tax laws. Social Security numbers are treated as confidential, except in the course of Department of Revenue official business.

INSTRUCTIONS FOR PREPARING THE SCHOOL INCOME TAX RETURN

Read these instructions carefully to determine if you have income subject to the tax. Income from Federal Schedule "C" business income and W-2 income should not be reported on the School Income Tax return.

Beginning with tax year 2016, proceeds from the Pennsylvania Lottery are now taxable.

Any net losses on Lines 1 through 8 of the return should be entered as "0". Losses may not be used to offset other types of income.

Print your numbers legibly and boldly within the spaces provided to ensure efficient and accurate processing of your return. Photocopies of this return are not acceptable.

Line 1. All dividends are taxable unless they are a return of capital on a life insurance policy, from common stock of a National Bank, or from United States government obligations. **All other dividends are taxable regardless of the source. You cannot reduce this income by reinvested dividends.**

Line 2. Interest income on the Federal or State tax return may be included. Examples of taxable interest include, but are not limited to: interest income from securities, mortgages, private loans, insurance policies, bank notes, repurchase agreements, Fannie and Ginnie Mae obligations, and other sources.

The following are examples of non-taxable interest income:

- A. Direct obligations of the Federal Government
- B. Bonds or debt obligations of Pennsylvania or its political subdivisions
- C. Interest on savings, checking, escrow and money market savings accounts that are deposited in:
 - 1. Private Banks
 - 2. Building and Loan Associations
 - 3. Savings and Loan Associations
 - 4. Credit Unions
 - 5. Savings Banks
 - 6. Bank and Trust Company or Trust Companies

Line 3. The distribution of income from a "Subchapter S" Corporation. For more information see Worksheet "S" on www.phila.gov/revenue.

Line 4. The pro rata share of any limited partnership income not otherwise subject to Philadelphia Net Profits Tax is taxable. If this is a net loss, enter "0".

Line 5. Income from estates and trusts is taxable only if it is received by or credited to the beneficiary and is the type of income that would normally be subject to this tax. **For example, if the income from a trust consists of interest and dividends, the amount taxable would be determined as in Lines 1 and 2 above.**

Line 6. Net gains and losses are taxable from the sale of tangible and intangible personal property and real property held for six months or less. **Note: This holding period differs from the 12 months or less period used by the Federal Government to identify short term capital gains.** If this is a net gain, enter the gain on Line 6. If this is a net loss, enter "0".

Line 7. Net rental income received from the ownership of real or personal property is taxable unless the income is subject to Philadelphia Business Income & Receipts and/or Net Profits taxes. If this is a net loss, enter "0". For School Income Tax purposes, report the net rental activity from a property which meets all of the following three criteria:

- 1. It is the principal residence of the owner;
- 2. It is totally residential;
- 3. It consists of 3 rental units or less.

If the activity does not meet these criteria, you must file Business Income & Receipts and/or Net Profits taxes.

Owners of properties with 4 or more rental units must file the Business Income & Receipts and/or Net Profits tax returns. Rental units do not include the unit occupied by the owner. (See BIRT Regulations Section 101 D. 8.).

Line 8. Report the following income: 1) royalty or copyright, 2) an award of punitive damages, 3) the monetary value of any prize or award, 4) income from any annuity under a policy of insurance unless payable from a contract of employment as a part of retirement or pension plan, and 5) net proceeds from gambling (**including Pennsylvania Lottery Cash Prizes**). If this is a net loss, enter "0".

Line 9. Add Lines 1 through 8.

Line 10. You may include all reasonable expenses directly incurred in the production of taxable income if they were paid solely for the production of that income. Examples of allowable expenses are: 1) safe deposit box rentals, 2) margin account interest, and 3) any fee paid in 2018 for the preparation of the School Income Tax return.

Line 11. Subtract Line 10 from Line 9.

Line 12. Gross Tax Due. Multiply Line 11 by 3.8712%.

Line 13. Enter here any credits from prior years and/or tax previously paid.

Line 14. TAX DUE. If Line 12 is greater than Line 13, enter the tax due on Line 14 and in the "Tax Due" box of the payment coupon.

Line 15A. If Line 13 is greater than Line 12, enter the amount of tax overpaid to be **REFUNDED**.

OR

Line 15B. If Line 13 is greater than Line 12, enter the amount of tax overpaid to be **APPLIED** to the 2021 School Income Tax.

2021 ESTIMATE INSTRUCTIONS

All businesses that have been approved as a New Business (Jump Start) as defined under Philadelphia Code 19-3800 and has subsequently met or will meet the employment requirements, use Worksheet N to complete the Business Income & Receipts and Net Profit Tax returns. (You must complete a paper return if participating in Jump Start Philly).

All other New Businesses starting their business in Philadelphia during 2020 that do not qualify for Jump Start can pay the actual tax (Line 3) for 2020 by April 15, 2021. No 2021 estimate payment is required.

For all other businesses which began conducting business in Philadelphia prior to 2020, a mandatory estimate tax payment toward the 2021 Business Income & Receipts tax is required for all business operating in Philadelphia. This estimate is equal to 100% of the 2020 tax liability, on Line 3, prior to the application of any tax credits from Line 6b. Enter the amount of Line 3 on Line 4 of the return. If you enter an amount on Line 4 less than the amount on Line 3, you may be billed additional interest and penalty.

2020 Business Income and Receipts Tax

If all business is conducted and/or located within Philadelphia, only the BIRT-EZ Pages 1 and 2 should be completed and filed.

If business is conducted and/or located both in and out of Philadelphia, only Page 1 of the BIRT return and the appropriate combination of Schedules A through E should be completed and filed.

Taxpayers must use the same method (Schedule A, Method I or Schedule B, Method II) that they elected on the first Business Income and Receipts Tax return filed. Only Schedule A (Form 24715) or Schedule B (Form 24415) should be completed and filed.

You must complete Schedule C-1 (Form 24515) if you are apportioning your income. Failure to include this schedule with the return may result in the disallowance of your apportionment and you may be billed. If Line 3 of Schedule C-1 is equal to 100%, the BIRT-EZ return must be filed instead. An exception to the required use of the BIRT-EZ return (for a taxpayer whose business activity is 100% within the City of Philadelphia) is in the case of a manufacturer, wholesaler and/or retailer reporting the receipts base tax using the Alternate Receipts Tax Computation. The Alternative Receipts Tax Computation is calculated on BIRT Schedule E which would require the taxpayer to use 2020 BIRT (i.e. long form) with Schedule C-1 calculated to 100%. Schedule C-1 should not be completed or filed if the BIRT-EZ return is filed.

If your business started in 2020 and has been approved as a New Business as defined under Philadelphia Code 19-3800 and has subsequently met or will meet the employment requirements, then use Worksheet N to complete the Business Income and Receipts and Net Profits tax returns. Worksheet N can be downloaded from www.phila.gov/revenue in the "Tax Returns" section.

2020 Net Profits Tax

Every individual residing in Philadelphia during 2020 and operating a business or other activity inside or outside of Philadelphia and non-residents of Philadelphia, if engaged in such activities within Philadelphia, are subject to the Net Profits Tax. Corporations are not subject to the Net Profits Tax.

Every partnership, limited partnership, limited liability company filing with the IRS as a partnership, association, or other group of two or more persons operating a business within Philadelphia, whether residents or non-residents of Philadelphia, is subject to the Net Profits Tax. A partnership comprised solely of corporate partners must file a Net Profits Tax return even if no tax liability exists. The City of Philadelphia follows the Federal tax treatment for LLCs. If the LLC chose corporate tax treatment, it would not be liable for Net Profits Tax. If the LLC chose to be treated as a partnership or as a disregarded entity, treated for federal filing purposes as an individual, it would be liable for Net Profits Tax.

Every estate or trust is subject to the Net Profits Tax if the estate or trust is engaged in any business which is subject to the Net Profits Tax per Income Regulation 220(A)(3).

Allocation versus Apportionment of a Nonresident's Net Profits

A nonresident individual, partnership, association or other unincorporated entity conducting or carrying on any business, profession, trade, enterprise or other activity is required to pay the Net Profits Tax (NPT) on the entire net profits of the business if all activity is conducted within the City of Philadelphia. This is true despite the absence of a Philadelphia office or business location.

Where a nonresident maintains both Philadelphia and non-Philadelphia branch offices, the taxpayer may allocate net profits between or among the Philadelphia and non-Philadelphia branch locations. The taxpayer must be prepared to show the Revenue Department that each branch office or location is self-sustaining and established. This is a question of fact, depending on the particular circumstances in each case. One factor (of many) used by the Department to support a branch office is the presence of separate branch accounting books and records to support the allocation of the net profits between or among the various branch offices. In the absence of separate accounting records, the nonresident taxpayer must apportion their net profits using the three-factor apportionment formula. **Refer to Income Tax Regulation 222 at www.phila.gov/revenue.**

1. The first step is to identify the key components of the system. This includes understanding the hardware, software, and network architecture.

2. Next, we need to define the requirements for the system. This involves determining the functional and non-functional requirements.

3. Once the requirements are defined, we can proceed to the design phase. This includes creating a detailed design of the system components and their interactions.

4. After the design is complete, we can move on to the implementation phase. This involves building the system components and integrating them into a cohesive whole.

5. Finally, we need to test the system to ensure it meets the requirements. This includes performing unit tests, integration tests, and system tests.

Instructions

Philadelphia's Business Income and Receipts Tax (BIRT) return includes a taxable gross receipts exclusion of \$100,000. Beginning with tax year 2020, a taxpayer who has Philadelphia taxable gross receipts of \$100,000 or less –and as a result, owes no BIRT– is not required to file this return.

If you have Philadelphia gross taxable receipts of \$100,000 or less, and you choose not to file the BIRT return, please complete this No Tax Liability (NTL) form by completeing the taxpayer information above and signing below.

By doing so, you will avoid any non-filer issues. This NTL form allows you and the Department of Revenue to maintain consistent records of tax compliance.

Even if you don't owe BIRT this year, and choose not to file a return, **you may still owe Net Profits Tax (NPT)**. You may choose to file a BIRT return when you have a loss to report, even when there is no obligation to file a return. Whether or not you file a return, you must maintain records in the event of an audit, and to carryforward any net operating loss to a future year. An NTL form does not record net operating losses from year to year. Please consult your tax professional or visit www.phila.gov/revenue for more information.

Under penalties of perjury, as set forth in 18 PA C.S. §§ 4902-4903 as amended, I swear that I have reviewed this return and accompanying statements and schedules, and to the best of my knowledge and belief, they are true and complete.
