Steven Liang,

My husband, son and I live at 2332 Emerald st and recently received notice of a proposed rate increase in sept 2021 and sept 2022. We absolutely contest this rate increase of 15+%. Property taxes have increased dramatically in the three years we've lived here and now water and sewer. I hope the Philadelphia water department can find an alternative way to utilize the current rates to be productive vs such a dramatic increase

Thank you,
