Subject: Proposed Water Rate Increase

External Email Notice. This email comes from outside of City government. Do not click on links or open attachments unless you recognize the sender.

If the city would take stronger measures to collect owed monies from the deadbeats in this city, then it wouldn't have to raise the rates! The good people (senior citizens especially) are being held accountable for those who continually get away with now paying. This city government is a disgrace! Sent from [Mail](#) for Windows 10
