TO: Philadelphia Water, Sewer & Storm Water Rate Board C/O: Steven Liang 1515 Arch Street, 17th Floor Philadelphia, PA 19102

I am Totally against a PWD Rate Hike,

I am Disabled and Like So many people in the city of Philadelphia, are doing the best that they can to pay all of their monthly bills on time and to make ends meet. The Cost Of Everything Has Gotten Very Expensive During This Pandemic And People Are Struggling Too Survive. The Money Spent To Hire An Independent Rate Board Could Have Went To The PWD Funds.

Is City Council Hiring A Salary Review Board, To Review The High Salaries Of Some Of The PWD Executive Employees?

I Think Philadelphians Water Bills Are Too High And Should Be Lowered, Maybe The Independent Rate Board Personnel Can Afford To Pay Higher Water Bills But Most People Who Live In Philadelphia Cannot.
