TO: Philadelphia Water, Sewer & Storm Water Rate Board

C/O: Steven Liang

1515 Arch Street, 17th Floor

Philadelphia, PA 19102 I am a retired senior citizen and I can't continue to pay more each year for my water. Someone stated bills are going up each year because there are a lot of people who don't pay their bills and the water department has to get money somehow. Even under your guidelines for seniors getting a discount, I am not eligible because I have a pension as well as social security. Please consider these factors in determining whether all seniors should receive a discount.
