

Income-based Wage Tax refunds

If you qualify for Pennsylvania tax forgiveness, apply for a Philadelphia Wage Tax Refund. The average refund is about \$275!

If you file for Pennsylvania tax forgiveness through **PA Schedule SP**, and are approved, you also qualify for a refund of part of your employer-withheld City Wage Tax.

The City of Philadelphia now has an easy-to-use online refund application:
www.phila.gov/revenue/income-refund (See 'Refunds')

You can also continue to use a paper form:
www.phila.gov/documents/income-based-wage-tax-refund-petition

You can also call (215) 686-6600 to request a paper form, but filing online is best.

Along with your completed refund form you must include:

- Full copies of all your W-2's
- A copy of your completed PA-40 form for Pennsylvania

Remember, start by completing a *2020 PA-40 Personal Income Tax Return*, as well as a *PA Schedule SP*. Find more info and complete income eligibility at:
www.revenue.pa.gov/FormsandPublications
Look for Forms for Individuals.

APPLY ONLINE TODAY

Once your Pennsylvania Personal Income Tax is filed, complete a Philadelphia Wage Tax petition online at:

www.phila.gov/revenue/income-refund

Give us at least 6 to 8 weeks, from when we receive your form, to process a refund. Petitions submitted online will help us process your petition more efficiently. Paper returns take longer to process.
