To whom it may concern,

I am writing to express my wholehearted support of designating 5920 Greene St (19144) a historic Philadelphia landmark. As a lifelong Philadelphian who was raised in Germantown, and is now raising my own children here, this property and other historical gems in our neighborhood are an important part of what makes our community unique and special. Along with being one of the most diverse neighborhoods in the city, Germantown is uniquely blessed to have such a rich and vibrant history. Losing historic landmarks to the development of newer, cheaper, and inevitably much uglier buildings is a loss not just for the neighborhood, but the city as a whole.

Please do what's right here and save 5920 Greene St from the developers. Help the Germantown community preserve our history.

Many thanks,
Michiko Hunt
