

**Public Hearings to be Held Online on Evening of January 12, 2022 for the PES Former Refinery and Tank Farm Proposed Title V Operating Permits – Includes How to Register**

Air Management Services will hold virtual public hearings on the evening of January 12, 2022, for the proposed operating permits listed below. The Former Refinery public hearing will begin at **6 PM**. The Tank Farm public hearing will begin at **7 PM or after the completion of the Former Refinery public hearing, whichever is later**.

To register to attend the public hearings, go to <https://attendee.gotowebinar.com/register/6324458373374041868> . After you register, you will be e-mailed an individual link to access the hearings.

Please contact AMS at [DPHAMS\\_Service\\_Requests@phila.gov](mailto:DPHAMS_Service_Requests@phila.gov) or 215-685-7572 if you have any questions or if you have a disability and desire to attend the meeting and require an auxiliary aid, service, or other accommodation to participate in the proceedings.

The City of Philadelphia, Air Management Services (AMS) has intent to issue a renewal Title V/State Operating Permit for the following facility:

Title V Operating Permit OP20-000052 (TVOP): Philadelphia Energy Solutions Refining and Marketing LLC (PESRM) Former Refinery, located at 3144 Passyunk Avenue Philadelphia, PA 19145 for modification and renewal of the existing TVOP. While PESRM remains the owner of the former refinery, NorthStar is the operator and is responsible for air quality compliance for the remaining equipment currently in operation under the TVOP.

The City of Philadelphia, Air Management Services (AMS) has intent to issue a renewal and modification of Title V/State Operating Permit for the following facility:

Title V Operating Permit OP21-000064 (TVOP): Philadelphia Energy Solutions Refining and Marketing LLC (PESRM) Tank Farm, located at 70th & Essington Avenue Philadelphia, PA 19145 for modification and renewal of the existing TVOP. PESRM is the owner and operator and is responsible for air quality compliance for the equipment in operation under the TVOP. From June 26, 2020 through November 30, 2021, Host at Philadelphia LLC (Host) was the operator of the terminal.
