	exterior and shall be readily available for inspection by the City.
	 Streetery shall comply with the placement requirements set forth in Section 8/E) of the regulations
	• Streetery must comply with the Americans with Disabilities Act ("ADA").
	• No food preparation, plastic food displays, food storage, or refrigeration apparatus shall be permitted in the public Right-of-Way.
	• Trash storage must comply with Section PM-308 of the Philadelphia Code; if a dumpster is utilized, a dumpster license is required.
	• The food establishment and adjacent Right-of-Way must be illuminated to allow clear passage within and through the sidewalk areas, and oriented to prevent glare on surrounding areas.
	• The Streetery, including any structure, must be reasonably secured from trespass during non-operational hours.
	No platform or other portion of a Streetery shall impede street or sidewalk stormwater drainage.
	• No sign, other than a sign guiding ingress or egress, may be displayed on or adjacent to a Streetery.
-	• Tables, chairs, umbrellas, and other moveable furniture must be placed indoors or secured to the ground during non-operating hours.
	• Moveable furniture must be labeled with the food establishment or business name in a place where it is easily identifiable and readable
	• Umbrellas shall be of fire-retardant material and canopy shall be a maximum of six (6) feet in diameter.
	• No open flames, even if covered, are allowed as part of a Streetery.
	No propane may be used in a Streetery.
	Electrical connections may not exceed circuit amperage.
	• All heating elements used must be approved for outdoor use and installed in accordance with manufacturer's installation instructions and in compliance with the Philadelphia Fire Code.
	• All heating elements must be placed a minimum of five (5) feet from buildings and all combustibles, except for electrical heaters which may be placed at least three (3) feet from combustibles.
	Wiring running across the sidewalk or underground is prohibited.
	• All cords and electrical wiring must be properly secured within the Streetery and may not encroach upon the path of travel or seating areas.
	Any plug-in electrical fixtures, or electrical equipment, must be powered by a portable power source.
	 If a Streetery structures is determined by the City to be creating a hazard to life or property, removal or all or part of the Streetery, or other remedial action, may be ordered to take place immediately.
	 It is the responsibility of the licensee to close out any license the licensee no longer wants to maintain. Non-renewal is not the same as closure of the license.

Declaration & Signature

I hereby certify that the statements contained herein are true and correct to the best of my knowledge and belief. I further certify that I am authorized by the owner to make the foregoing application, and that, before I accept my license for which this application is made, the owner shall be made aware of all conditions of the license. I understand that if I knowingly make any false statements herein I am subject to such penalties as may be prescribed by law or ordinance.
