# Digital Skills Classes for Caregivers

Are you a caregiver of a pre K-12 student who wants to:

- Create an email address to communicate with your child's teacher
- Help your child with online homework
- Learn how to keep your family safe on social media
- Learn how to use your computer, tablet, or cell phone

*Sign up for virtual and in-person  
group and one-on-one classes today!*

Scan the QR code for class  
information and for help  
choosing your class:

Intergenerational  
Center
