

# Connecting Philadelphia Pre-K-12 Families to Free or Low-Cost Internet

*Learning doesn't end in the classroom.*

## What is PHLConnectED?

PHLConnectED is the City's initiative to help pre-K-12 families get access to free or low-cost internet.

## How does PHLConnectED help families?

Families can get one-on-one support with a PHLConnectED Digital Navigator for:

- a review of the free or low-cost internet options available.
- support with accessing and using technology.
- access to digital skills classes and resources available across Philadelphia

## How to Connect

To learn more, **dial 2-1-1**. For language services, **press 8**.

The hotline is open 24 hours a day, 7 days a week and is available in over 150 languages.

## Who can get connected through PHLConnectED?

- Have a PreK-12 student enrolled in a Philadelphia school
- Do not have wired, in-home internet access, can only access the internet through a mobile device, or are experiencing homelessness or are in-between housing
- Participate in certain public benefit programs with income qualifications
