The Civic Design Review committee dedicates part of the agenda to hearing from the public. Staff ask that participants limit repetitive comments – this will help make sure all parties are heard.

During the public comment part of the agenda, a moderator will call on pre-registered commenters first. Pre-registering to comment is not required, but it does reserve a spot early in the list of speakers. The moderator will call on meeting attendees after that list is exhausted. If you were unable to pre-register, during the public comment period please use the “**raise hand**” feature in Zoom. If you are joining by phone, you may also use the “raise hand” feature by dialing “***9**” during the public comment period. **Each speaker has two (2) minutes for comment.**

The public can also submit comments in writing before the meeting. Comments submitted in advance should not be read during the live meeting. Committee members will consider written comment and spoken comment equally. Written comments will be incorporated into the official meeting minutes. Written comments can be submitted by emailing CDR@phila.gov

The deadline to submit comments is **noon on Thursday, December 14, 2023.**

Recordings of the Civic Design Review meetings are posted on the Planning Commission website: <https://www.phila.gov/departments/philadelphia-city-planning-commission/recordings-of-public-meetings/>

Please be advised that the Civic Design Review meeting will be recorded. Joining and/or participating in the meeting constitutes your consent to the recording.
