

VISION ZERO

CITY OF PHILADELPHIA

ZERO TRAFFIC DEATHS BY 2030

WHAT DID WE HEAR?

Neighborhood feedback on Springfield Ave from 51st St to 57th St

Great Streets PHL Round 1 Meeting and Pop-Up

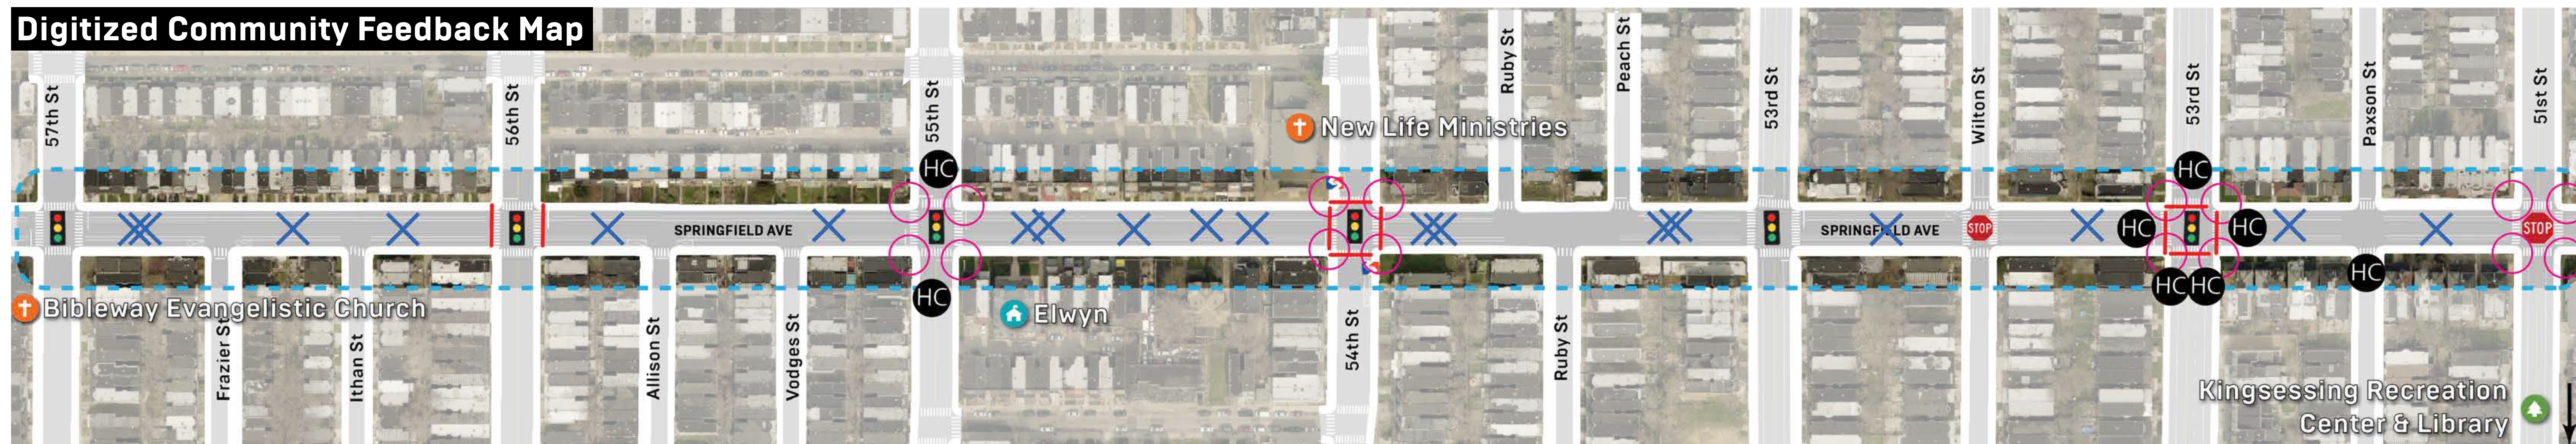

We asked neighbors about traffic safety issues and concerns. Your input informed the proposed design for the street.

May 11, 2023 Meeting at Independence West Charter School

October 1, 2023 at a Health Fair at Southwest Philadelphia Seventh-Day Adventist Church

Digitized Community Feedback Map

What We Heard: Community Feedback Summary

Feedback Themes & Top Areas of Concern

- 52nd St intersection feels very dangerous
- 55th St intersection feels very dangerous
- There are challenges biking along the corridor
- Speeding is an issue on the corridor

Community Preferred Tools

1. Speed cushions/ speed humps
2. Corner bump outs
3. Raised crosswalk

Community Suggested Tools

- Add hardened centerlines
