

# WHAT DO YOU THINK?

## Draft Great Streets Improvement Plan: 57th Street (Upland Way to Wynnefield Ave)

Legend	Quantity	Cost
Speed cushion	4	\$120,000
Bump out	8	\$470,547
Mid-block raised crosswalk with flashing beacons	1	\$65,000
Raised crosswalk	1	\$20,000
Extended island	1	\$60,000
<b>Total project cost</b>		<b>\$611,264</b>
Existing tree		
New tree	Property owners will need to approve new tree locations; the cost of new street trees will be covered by funding sources outside of this project budget	
PHILADELPHIA WATER PWD bumpout/island extension		
The Philadelphia Water Department (PWD) is currently constructing several green stormwater infrastructure features on this corridor. These will be completed by PWD ahead of this project and are funded by PWD.
