

L&I Interactive Voice Response (IVR)

Inspection Scheduling Instructions

Overview

The Department of License and Inspections (L&I) conducts permit inspections at key points in construction project. Use the L&I Interactive Voice Response (IVR) phone system to schedule, cancel, reschedule, check results and access plan review.

Schedule by Phone

Step 1: Dial 215-255-4040

Step 2: Make a choice from the menu and enter the corresponding keypress.

- **Press [1]** to schedule an inspection
- **Press [2]** to cancel or reschedule an inspection
- **Press [3]** to check inspection results
- **Press [4]** to access plan review
- **Press [0]** to speak to department staff

Step 3: Follow the spoken prompts for entering your permit number, inspection code, and other details. See explanation below.

Entering your Permit Number

You will find your 2-letter, 10-digit Permit Number at the top of your permit certificate. Spoken prompts will guide you through the process to enter your permit number:

A. Select the keypress that corresponds with the first letter of your permit.

- For A – E, press 1.
- For F – O, press 2.
- For P – R, press 3.
- For S – Z, press 4.
- For numeric permits, press 5.

B. Listen for your 2-letter Permit Type and press the corresponding key.

C. Enter the 10-digits at the end of your Permit Number.

The image shows a sample 'Notice of Commercial Building Permit' certificate. The permit number 'CP-2020-000001' is circled in red. The certificate includes the following information:

- Permit Number:** CP-2020-000001
- LOCATION OF WORK:** 234 SAMPLE AVE, Philadelphia, PA 19147
- Permit Holder:** SMITH JOHN SAMPLE
- Address:** 123 SAMPLE AVE

A large 'SAMPLE' watermark is overlaid diagonally across the certificate.

Example: In order to enter the sample Permit Number **CP-2020-000001**, you would:

1. Press 1, since the first letter is C.
2. Listen for and enter the keypress that corresponds with "CP or Commercial Building Permit".
3. Enter 2-0-2-0-0-0-0-0-0-1 to complete the process.

Inspection Codes

BUILDING
