

MARCONI PLAZA ENGAGEMENT PROCESS

- Community engagement began in April 2022 with a series of 3 in-person workshops throughout the Summer.
- Park users & neighbors participated in activities and workshops where they shared their thoughts and ideas about the future of Marconi.
- The team used community feedback to determine design goals such as key desires for the park and areas that need improvement.
- With each session, the design became more refined and developed. The final concept presented is the result of..

TOP 5 IMPROVEMENTS

Using a simple voting exercise, the community voted on which improvements were most important. See the top 5 below.

PLAYGROUND RENOVATION

INCREASED & IMPROVED LIGHTING

SAFER STREET CROSSING

INTRODUCE ADULT FITNESS

BASIC PARK MAINTENANCE

- "My kids love playing here. We adore having a green space so close to home, especially with big trees and flowers."
- "It has inconsistent lighting. I never know when I'm walking home if I'll be able to walk through the park."
- "The park is a great resource for youth to grow and interact. I Would love for this to be expanded."
- "Fenced in dog area would make it safer for everyone. Right now, there's lots of unleashed dogs leading to problems." *

*While there is much expressed interest in adding a dog park at Marconi, community consensus is not evident. PPR is currently exploring alternative locations nearby in South Philly.
