Greetings,

Regarding item 7 of today's City Planning Meeting, I have the following comments as owner of the business at 4317 Fleming Street:

As a brand-new restaurant opening 3 months before COVID started outdoor seating has become a vital component to the survival of Twisted Gingers Brewing Company. After four years I have earned the trust and respect of my neighbors who have come to rely on the option to sit outside while enjoying our pizza and beer. Allowing outdoor seating to continue will enable my business to continue providing the best service to our Philadelphia neighborhood.

Thank you for your consideration!

Sincerely,

Mark Mayer
