HealthCenterConnect.  
New notification services.  
More ways to connect.

HealthCenterConnect links you to your personal health information using your devices. In addition to your [secure patient portal](#), you can now receive personalized messages from your health center to your smartphone. **Sign up at your health center** where staff will update your phone, text, and email information in the health records system.

With HealthCenterConnect messaging services you can:

- Receive convenient, timely messages.
- Get appointment reminders.
- Check-in for visits earlier and faster.
- Receive links to medical questionnaires.
- Send information to your medical record.
- Make electronic payments (coming soon).
