Dear Ms. Chantry,

Good afternoon. As counsel for the owner of the above property, I write to respectfully request a Continuance of the Designation Committee's consideration of the matter currently scheduled for Wednesday April 17th. A continuance will allow the property owner sufficient time to continue to work with the Nominator (the Keeping Society of Philadelphia) and the Preservation Alliance for Greater Philadelphia and discuss the range of options available to protect the historical integrity of the property. **Please note that the Preservation Alliance and the Nominator do not object to this request.**

If possible, I would ask that the matter be continued until no sooner than the September 2024 meeting to provide the parties sufficient time to discuss and consider the matter.

As always, please advise if you have any questions or need any additional information regarding this request. In advance, thanks and it would be appreciated if you could confirm that this continuance has been granted.

Sincerely,
Brett
