Dear Deland Bryant:

In regards to the TAP Program and the proposed hike, I am AGAINST the rate increase of \$10.46 per month to my bill. I am on a fixed income, and am struggling to pay my own bills as it is! I am not able to qualify for assistance myself, because I am just above the required income level.

Perhaps you can come up with a more equitable way of raising the money you need, maybe based on income. This increase would be a hardship for me and others like me.

Thank you for taking the time to reconsider this increase.
