

Fishtown Neighborhood Bikeways

Above: Example bikeway in Vancouver, Canada

Spring 2024

What is a neighborhood bikeway?

- A street with **low traffic volumes and speeds** that is comfortable for people walking and biking
- A key part of a **low-stress** network of bicycle routes that increases road **safety for all users**
- Traffic calming treatments, signs, and pavement markings increase awareness that the road is a bicycle priority route. The **top three treatments identified by Fishtown residents** as priorities are on the right.

Fishtown Neighborhood Bikeways Draft Map

Fishtown

- Evaluated Neighborhood Bikeway Route
- - Future Bikeway Connection
- Existing Bicycle Facility

Why these routes?

Selected routes are direct, with low speeds, low car volumes, and few traffic lights.

Identified Routes & Priorities

Fall 2023 on-line survey responses matched our route analysis, identifying the following streets for bikeways:

- Belgrade St
- Thompson St
- Berks St
- Norris St
- Marlborough St
- Columbia Ave
- Susquehanna Ave

Next Steps

- Join our pop-up events to learn more on:
 - **5/8** at Adaire Elementary Bike to School Event
 - **5/11** at the Kensington Kinetic Sculpture Festival
 - **5/15** at the Fishtown Neighbors Association meeting
- OTIS will finalize the route map and treatment preferences based on feedback.
- OTIS will come back to Fishtown groups and share the final plan.
- With a final plan, OTIS will be able to apply for grant funding to implement these plans.

Share Your Feedback

- **Are these the right routes in Fishtown?**
- **What do you think about Marlborough Street and Columbia Avenue as the first routes?**
