**The Water Rate Board wants to hear from you about TAP-R!**

TAP-R stands for **Tiered Assistance Program Rate Rider**. TAP-R adjusts every year to help recover costs of TAP.

TAP is a program that helps make water bills **more manageable for low-income Philadelphians**.

Part of the reason for this year's proposed increase is that **more customers are expected to have access to affordable water bills** through TAP. The proposed increase would raise the residential bill of non-TAP participants by around \$4.43.

**Want to tell the Water Rate Board what you think?**

The hearing will be held on Zoom on Friday, May 10, at 10:00 am. To testify, email [WaterRateBoard@phila.gov](mailto:WaterRateBoard@phila.gov) and state your name, address, and phone number.
