

Mechanical Leaf Collection

Mechanical leaf collection will be offered in areas with a heavy concentration of leaves.

To find out if mechanical leaf collection will be in your area:

- Check your neighborhood and city-wide newspapers
- **Visit www.phila.gov/leaf-recycling**
- Contact 311
- No collection will occur on City-observed holidays, Veterans Day and Thanksgiving.
- Except in case of extreme weather conditions, bagged and mechanical collection will occur rain or shine.
- Residents in mechanical areas can also drop-off bagged leaves at 13 drop-off locations (see reverse side). Bags are accepted at Sanitation Convenience Centers also, open Monday - Saturday, 8AM-6PM.

2024 Leaf Recycling PROGRAM

November 4 through
December 21

Remember these guidelines for mechanical leaf collection:

- All leaves should be raked and ready for collection by the curb's edge by 7AM the day of collection.
- Residents should move their vehicles to an off-street parking location on scheduled collection day.
- Due to the number of pieces of equipment used, the large cleaning boundaries to cover and a challenging timeline, we are unable to make return visits to individual streets in all areas once we move to the next boundary.
