

PUBLIC MEETING NOTICE

The City of Philadelphia Department of Streets will host an in-person public meeting on Tuesday, April 8, 2025, from 5:00 p.m. to 7:00 p.m. to provide a status update on the Swanson Street Reconstruction Project and receive feedback from the public.

The meeting will be held as an open house style format. Members of the public can stop by the meeting any time during the meeting time frame. No formal presentation will be given.

WHAT: Swanson Street Reconstruction Project Public Meeting

WHEN: Tuesday, April 8, 2025
5:00 p.m. – 7:00 p.m.

WHERE: The 2300 Arena
2300 South Swanson Street
Philadelphia, PA 19148

For more information, or for interpretation, translations services, or other reasonable accommodations to attend the meeting, review meeting materials, and/or provide comment, please contact **Sophia Fox** at sophia.fox@hdrinc.com.

Project Overview

The Swanson Street Reconstruction Project seeks to improve mobility for all modes of transportation, including vehicles, pedestrians, and bicycles by reconstructing the corridor between Oregon Avenue and Christopher Columbus Boulevard.

Currently, the corridor suffers from aging infrastructure, including deteriorated roadway and sidewalks, inconsistent traffic patterns, and unclear pavement markings.
