

April 2025 – Get Involved – English

TL;DR

The Chinatown Stitch is coming!

The Chinatown community can give input on design options this April and May. Take the project survey, stop by a pop-up, and/or come to an Open House! Find more information by clicking bit.ly/chinatownstitch 

Open Houses

Come to an in-person or virtual Open House in May to help design the Chinatown Stitch! The Open Houses are a great opportunity to learn more about the project and share your thoughts. You will get to meet the project team, ask questions, provide feedback, and help us design the project. The in-person Open House will have refreshments. It will be hosted in a space that is ADA accessible and has seating. The virtual Open House will have auto closed captioning. Both Open Houses will have interpretation in Mandarin, Cantonese, and Spanish.

Public Engagement Updates

Informal Site Visits: In February and March, 2025, our team was in Chinatown for five informal site visits. We talked with 65 Chinatown businesses and organizations! We shared project information and flyers to let people know about the project. And we heard ideas, concerns, and questions about the project.

Stakeholder Committee: There are over 25 organizations on the Stakeholder Committee. The Committee met once in 2024 and has met twice so far this year. It will continue to meet through at least the beginning of 2026. The Committee helps guide the project. It also helps the project team ensure we reach everyone we can during engagement. Thank you to all stakeholder organizations!
