Open Houses

Come to an in-person or virtual Open House **THIS WEEK** to help design the Chinatown Stitch! The Open House events are a great opportunity to learn more about the project. You will get to meet the project team, ask any questions, share your feedback, and help us design the project.

The in-person Open House will have refreshments. It will be hosted in a space that is ADA accessible and has seating. The virtual Open House will have auto closed captioning.
