

May 2025 – Survey Closing May 30th – English

TL;DR

The Chinatown Stitch is coming!

If you haven't yet, take the community survey by May 30th:

surveymonkey.com/r/chinatownstitch

The project team has created design options for the Chinatown Stitch. Learn more about them and share your thoughts by taking the survey.

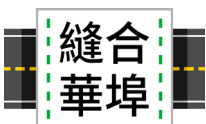

Survey Closing May 30th

Over 500 community members have completed our community survey so far! The survey will stay open through May 30, 2025. Please help us get more responses. Take the survey if you haven't yet and share with your friends, family, neighbors, and coworkers.

[Survey](#)

The survey shares visual options for the park and Vine street. It then asks you to rank your preferences. It is available in English, Chinese, and Spanish. It should take about 15 minutes to complete.

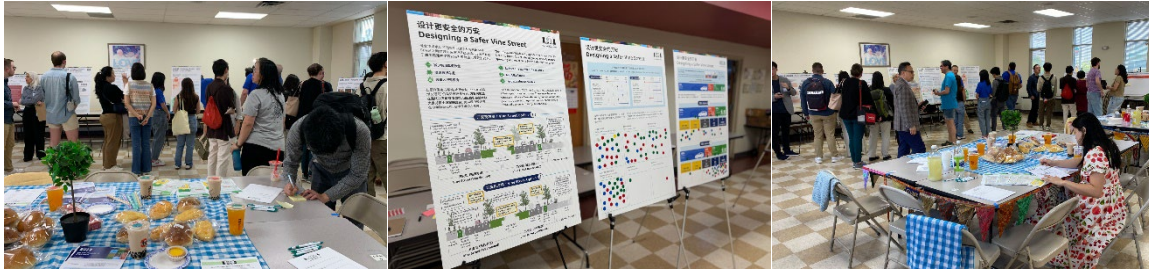

Public Engagement Updates

*The Chinatown Stitch: May 2025
Survey Closing May 30th - English*

Pop-Ups: The project team has been hosting pop-ups at community locations in April and May. So far, we have completed 7 pop-ups and talked to over 750 people. Thank you to everyone who came by!

Open House: We hosted an in-person Open House at the Holy Redeemer Catholic School. And we also hosted a virtual Open House on Zoom. We have over 90 community members attend over the two days.

We appreciate all the feedback, ideas, and questions you have shared. Your input will help shape the final design of the project!

What Comes next?

At the end of May we will complete our engagement activities for this round. We will then collect all the feedback and analyze it. Together this data will guide the next steps of the design process. We will share a summary of the feedback we have heard in the next newsletter.

The project team will then refine the design over the summer and bring a final design back to the public in the fall!
