The Philadelphia Water Department wants to raise rates by \$222 million over the next two years.

On average, **you could be paying 18% more per month for water.** If you use more water, have leaks at your property, or your small business property is larger, the bills could be much higher!

Your voice matters!

The Water, Sewer, and Storm Water Rate Board will decide whether or not to increase rates. CLS represents the interests of residential and small business customers in this proceeding, and we need your help.

You have a right to participate in the public proceeding, and it's important for the Rate Board to know what you think about the proposed rate increase.
