## SIMPLIFYING THE PROCESS OF APPLYING FOR LOANS

### ABOUT

The Philadelphia Business Lending Network (PBLN) is a service that enables business owners to express interest in financing to a group of more than 35 nonprofit lenders, for profit lenders, and other funders with one form. There is no cost to apply.

You must have a small business in Philadelphia and be a Philadelphia resident.

### EQUITY INCENTIVE

The Philadelphia Business Lending Network Incentive Grant is an added component to the program providing **a grant up to \$35,000, up to 50% of each approved loan amount from a Network lender to businesses that meet specific eligibility requirements.** The grant amount would be directly attached to the loan agreement.

### LEARN MORE AND APPLY

Complete the financing request form online. This form allows PBLN lenders to learn more about your funding needs. Once you complete the form, your information is sent to participating organizations. If your project and capital needs match available resources, PBLN lenders will contact you directly.

The Philadelphia Business Lending Network financing request form is not a loan nor a grant application. **There is no guarantee of approval from any of the PBLN lenders.**
