

# DIGITAL NAVIGATOR NETWORK

Get one-on-one support with a City Digital Navigator today!

Digital Navigators help Philadelphia residents with accessing and using technology. Schedule an appointment with one of the City's Digital Navigators today!

## They can help residents:

- Sign up for free or low-cost internet
- Get a loaner internet hotspot, if eligible
- Find a low-cost device
- Find and enroll in computer or online skills classes
- Troubleshoot connectivity issues
- Get basic technical support
