

Bill No. 240665-AA has gone into effect and enforcement will begin on December 1, 2025. This Ordinance regulates vehicular mobile service providers in the Seventh Council District. Below we have outlined the major changes that may impact your operations.

Mobile medical service providers and non-medical mobile service providers are required to obtain the appropriate permits.

Scan the QR Codes below to apply for a Medical or Non-Medical Mobile Service Provider Permit.

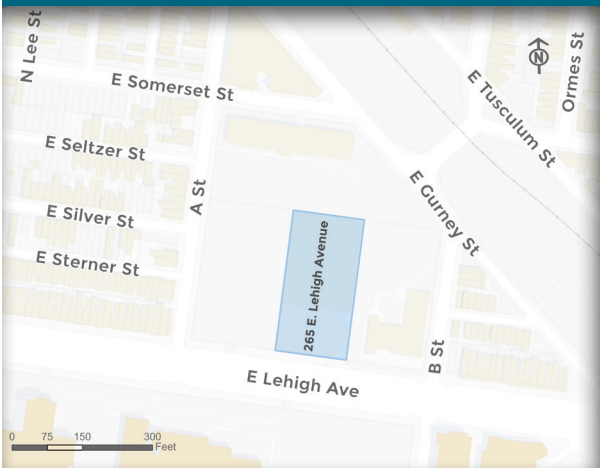

Medical

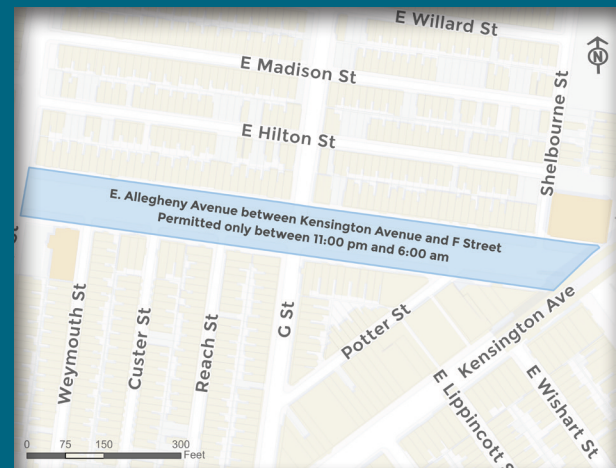

Non-Medical

Mobile medical services are only permitted at:

265 East Lehigh Avenue or another location designated by the City during hours specified by the City.

Between 11 p.m. and 6 a.m. on East Allegheny Avenue between Kensington Avenue and F Street.

Non-medical mobile services may not exceed operations over 45 minutes in a single location on any given day.

Service providers must move at least 1,000 feet to continue operations.

45 min.

1000 ft.
