

Penn Square Bike Lane Complete Streets Project

Above: Aerial of Penn Square, 2025

Updated: October, 2025

What is planned?

- Connect bike lane network around City Hall.
- Provide vertical separation of bike lane wherever possible.

Why this project?

- Vital missing link in the High-Quality Bike Network.
- From 2020 - 2024, 89 people have been involved in crashes, including 5 who were seriously injured.
- Current street layout around City Hall is confusing.
